

Boothing Inventory Recommendations

Determining how much inventory is needed for a booth

You will want to include enough cookies in your troop's SIO to stock the first weekend's booth sales. Below is a suggested quantity for a two-to-three-hour booth sale during the first and subsequent weekends. Amounts may differ based on the date, time, location and weather.

This is a **guideline** for the number of cookies to take to a booth, not necessarily what you will sell. Refer to last year's booth sales, if data is available, to help you determine how much to bring to a booth site or ask your SUCPC for guidance.
