

Emerald Spotlight January 2011

The GSGLA Emerald Spotlight is a monthly award that recognizes a former Girl Scout who shows courage, confidence, and character in her current role as a community leader.

Linda Brogmus Segal, D.D.S.

Dr. Linda Brogmus Segal is a graduate of the UCLA School of Dentistry, a founding member of the UCLA Apollonians Alumni Association, and a Delta Gamma alumna. For 25 years, she has led a successful and well-respected private dental practice in Beverly Hills.

Linda fondly remembers her years as a Girl Scout in Huntington Beach and recalls the excitement of camping out at Newport Dunes. Her experience of selling Girl Scout cookies door-to-door helped her develop the confidence that continues to serve her well as she meets new people each day in her professional life. She also recognizes that the hours she spent sewing patches onto her Girl Scout uniform helped build the fine motor skills and the passion for detail that she applies daily in her career in dentistry.

Linda and her husband Peter have two daughters, who have each received their Girl Scout Gold Award, and a son, who is a Boy Scout. Linda has volunteered as a Girl Scout Troop Leader as well as a Boy Scout Den Leader. She continues to share her passion for the Girl Scouts in her position as a Board Member of GSGLA. Linda is leading the Girl Scout fundraising efforts for the our 100th Anniversary float in the Tournament of Roses Parade. If you'd like to contact her about this event, please email GSRoseFloat@gmail.com.

Linda's advice to Girl Scouts today is to persevere in all that you do and to remember that the more you give to your community, the more you will receive in return.
