Get excited and involved in this milestone year filled with events that empower girls.

 **2012 Tournament of Roses Float**

The 2011 Rose Parade was a phenomenal success thanks in part to the number of Girl Scouts participating, including Grand Marshal Paula Deen, Rose Queen Evanne Friedmann, Rose Princess Tenaya Senzaki, the more than 50 Gold Award Girl Scouts that participated in the Tournament Troop, and the hundreds of Girl Scouts who helped in the float-building process.

Next year's event will be even more spectacular with GSGLA's entry in the parade, celebrating Girl Scouts' 100th Anniversary.

Be a part of the pageantry! Honor someone with a flower for the 2012 Girl Scouts Rose Parade float. Make a donation in honor of a loved one, Girl Scout Alumnae, troop leaders, Gold Awardees, Girl Scouts (daughters, sisters, friends) and Girl Scout staff and their name will be with one of the flower vials on our float.  **100th Anniversary Zinnia Seeds Available at Cookie Kick-Off January 15**

Renee's Garden Seeds is teaming with Girl Scouts of Greater Los Angeles to help sow the seeds of leadership. The flower seed company has created a special Garden Zinnia Mix in honor of Girl Scouts' 100th Anniversary.

A portion of the proceeds will raise funds for the 2012 Girl Scout Tournament of Roses Parade Float. 100th Anniversary Special Garden Zinnia Mix will be available at the upcoming GSGLA Cookie Kick-Off on January 15 and available in Council Shops and other GSGLA events thereafter.

[Click here](#) and be counted! Share this email with your friends and the amazing women in your life and encourage them to sign up, too.

GSGLA will *only* list your name and will not publish your name without permission. Contact information (if provided) will not be shared.
