

Mad Science Girl Scout Workshops

A fun and exciting way to help troops attain their science badges

The Mad Science Mission is to spark the imagination and curiosity of children everywhere. We do this by providing them with fun, interactive and educational activities that instill a clearer understanding of science and how it affects the world around us.

We have a variety of different workshops that cover Life Science Studies, Environmental Science Studies, Physics, Chemistry and more! All Workshops are hands-on and include something for the girls to take home. They will have so much fun it is hard to believe that they are actually learning at the same time!

Special Scout Workshops Include:

Brownies

Science in Action
ScienceWonders

Junior

- Science Discovery
- Science in Everyday Life
- Science Sleuth
- Making It Matter

Our Girl Scout Workshops . . .

- Are a fun filled 60 minutes.
