

## SUGGESTED PACKING LIST:

Please keep in mind that the appropriate number of clothing depends on the number of days that your daughter is attending camp. Washing machine usage is only for emergencies, so be sure your camper has enough clothes and encourage her to pack with you so that she knows what is in her bag.

### REMINDERS:

- Please **LABEL** everything with a permanent marker with camper's first and last name.
- Keep packing simple and limited to what you feel the camper will absolutely need. Campers will have to carry their own luggage from the bus to their tents, so keep it light.
- Each camper is limited to one sleeping bag, one extra blanket (securely tied), and one duffel bag or soft sided suitcase.
- There is no need to buy a "camp" wardrobe. Clothes should be comfortable, yet durable. Campers will spend every day, all day, in the out-of-doors and they have a tendency to wear favorite items for several days. They will get very dirty.
- **DO NOT PACK:**
  - Sandals or open toed shoes
  - Food or snacks, including candy or gum (these items attract bears and raccoons). Snacks will be provided.
  - Any electronics including cell phones, iPods, or hair dryers
  - Personal sports equipment
  - Pets
  - Valuables that may be lost or broken
- **GSGLA CANNOT ASSUME RESPONSIBILITY FOR LOST OR DAMAGED ARTICLES. THIS INCLUDES GLASSES, CONTACT LENSES AND RETAINERS.**
