We provide all the equipment, tools and instructions for your projects, as well as the embellishments, fabrics*, and notions needed according to the badge or project requirements as specified by Girl Scouts of America. We have fashion designers and professional equipment on-site to provide an overview of the fashion design and production process. 1 1/2 hour sessions are booked and snacks can be served in the break room during the meeting. Groups of up to 10 can be accommodated.

*Girls may need to provide their own jeans to embellish depending upon the badge. We will consult with your leaders or planners prior to the meeting. Call or email for more information or to book a meeting.

Cost: \$50.00/girl scout
