

covid-19 FAQs

We know the concerns you and your family might have about how camp will adapt to the current COVID-19 pandemic. We are committed to the well-being and safety of our Girl Scout members, families, staff, and volunteers, and have addressed general questions below that will serve as standard operating procedures across all of our camps and camp properties. For individual camp protocols and all updates, please visit girlscoutsla.org/summercamp.

WILL MY CAMPER STILL BE ABLE TO ENJOY HER FAVORITE ACTIVITIES AND TRADITIONS?

The hallmarks of our camps remain unchanged. Our fun camp themes, welcoming camp staff, exciting activities, and the creation of life-long memories will remain integral parts of every camp session.

IS MY CHILD REQUIRED TO WEAR A MASK WHILE AT CAMP?

Yes, we will require that all campers and staff wear a face mask while with us at camp and during most activities, with the exception of eating and drinking. Please note that while campers and staff will be allowed to wear a face shield, we will require a face mask as well. If your child's camp has an aquatics program (Marine Landing and Camp Lakota), masks will not be required while out on the water, or in the pool.

WHAT ARE THE REQUIRED HEALTH SCREENINGS/ PROCEDURES PRIOR TO ARRIVAL?

Prior to arrival at camp, each camper will be asked to fill out a health questionnaire (each morning for day camp, arrival day for overnight camp) in addition to health screenings upon arrival.

WILL MY CAMPER BE IN THE SAME GROUP THROUGHOUT THE WEEK?

Yes, each camper will be in small group cohorts (units) that will travel throughout camp enjoying activities together. Co-mingling of units will be limited. For camp specific details, please visit girlscoutsla.org/summercamp.

HOW ARE COMMON CAMP SPACES BEING DISINFECTED AND SAFE FOR MY CHILD TO USE?

Following established health and safety guidelines, GSGLA staff will properly clean and disinfect any communal shared surfaces and equipment. We have added extra hand washing stations throughout our camps and hand sanitizers will be located in each program area. Throughout each day, we will teach and reinforce healthy hygiene practices, including proper handwashing. In order to ensure proper social distancing protocols and enough cleaning time between days, before and after care will not be available.

WILL I BE ABLE TO PICK-UP OR BRING MY CAMPER TO CAMP OUTSIDE OF THE DESIGNATED CAMP ARRIVAL AND DEPARTURE TIMES?

Due to the nature of this year's camp screening and social distancing protocols, arrivals and departure times will be staggered. We will only be able to accept camper drop-offs and pick-ups during your camper(s)' established times unless communicated and agreed upon in advance with your camp's director.

I STILL HAVE SOME QUESTIONS, HOW CAN I FIND OUT MORE INFORMATION ABOUT MY CAMPER'S SPECIFIC CAMP?

In addition to checking girlscoutsla.org/summercamp, you may also reach out to each camp's director using the emails listed below:

Mariposa Day Camp: Brianna Colomb, mariposacamp@girlscoutsla.org

Marine Landing Day Camp: Devin Niebrugge, marinelanding@girlscoutsla.org

El Ranchito Day Camp: Giselle McKenzie, elranchitocamp@girlscoutsla.org

Camp Lakota: Laura Moede, lakotacamp@girlscoutsla.org

Osito Weekend Family Rentals: ositocamp@girlscoutsla.org
