## Pre-Camp Information

### Health Forms

GSGLA uses CampDoc.com, a secure, encrypted, and password protected electronic health record system for camps. *CampDoc profiles must be complete the Thursday before your camper's session*

### Photo Release

Please double-check your camper's photo release status in CampDoc. We will be documenting our adventures via Instagram Stories (follow us @marinelanding) throughout the summer. If you have not released your camper's image, we will not photograph her.

***Keep your eyes peeled for future emails with more information!***
