FRED THE SEA LION & THE TEMPLE OF SAND DUNES

June 14-18

Explore the hidden places around Marine Landing, swim to the depths of Naples Channel, & unearth golden treasure. Play in the past as you take on the role of Indiana Jones in this adventure-filled week on the water.

A TOPSY TURVY TEA PARTY

June 21-25

The time has come, the Girl Scout said, to speak of many boats; of canoes—and ships—and paddleboards—of tea parties—and noodle floats! Feed your curiosity & sing with the flowers in this Wonderland-inspired week. *Mariner Program Thurs. evening program*

BEACH CAMP IS S'MORE FUN!

June 28-July 2

Love singing camp songs, learning how to build a fire & putting up tents? Join us for a week of fun in the sand as we dust off our Girl Scout outdoor camping skills right on our very own beach. Get ready for shelter building & campfire skits brought to you by... YOU!

GO FOR THE GOLD... BRONZE OR SILVER

July 5-9

Last year Team Japan was victorious in our Olympics week. Will your country be the champion this summer? From the classic synchronized swimming event to all-camp relays, the competition this year will be fierce! *Mariner Program Thurs. evening program*

A SEASIDE SORIEE

July 12-16

Friday Evening livestreamed performance, 3:00pm

Come join us for a night to remember by the sea. A week full of planning & practicing the perfect event will culminate in a Friday evening livestreamed performance with an ocean backdrop.

SEA, SUN, & SAND ART

July 19-23

Make waves while we explore island life & culture. Create nature-made art masterpieces with an island twist. From Hawaii to Polynesia, you will be immersed in all the different dance, food, & art of the South Pacific. *Mariner Program Thurs. evening program*

AN OCEAN OF SEA-CRETS!

July 26-30

The tide has washed up a message in a bottle on our very own Marine Landing beach! Help us deliver the letter to its rightful owner, & spend some time creating your own mysteries in a week riddled with sea-rious fun!

MARINE LANDING'S MAGICAL CREATURES

August 2-6

Hagrid is on vacation, but that won't stop us from diving into our Magical Creatures class. Learn how to take care of all ocean life in a week filled with magic! All houses are encouraged to attend! *Mariner Program Thurs. evening program*

DESTINATION INNOVATION: SHARK TANK

August 9-13

Gear up to create your very own inventions that we can use right here at Marine Landing—will you create a new way to apply sunscreen? Or maybe a new kind of sand toy? Impress us at our Friday Shark Tank-style panel.
