

important overnight camp info

(ONLY FOR TRADITIONAL CAMP, EQUESTRIAN CAMP, AND CIT PROGRAM AT CAMP LAKOTA)

Every camper who attends overnight camp will receive a commemorative item, camp patch, and any badges earned. Campers participating in Equestrian Camp are scheduled for daily horse time (weather permitting). For summer 2021, in adherence to COVID-19 safety guidelines, each camper will have a maximum of four bunkmates and will participate in all activities with the other cabins within their unit. Counselors-In-Training will be in a tent by themselves, in a unit with up to 9 other CITS.

TRANSPORTATION

Campers are responsible for their own transportation to and from camp. Camper arrival and departure times will be staggered and at the discretion of the Camp Director. Please note that health screenings will take place during the check-in period. More information regarding our health procedures will be updated on girlscoutsla.org/summercamp.

MEALS

Campers are provided three nutritious meals and snacks daily. Special diets can be accommodated, including vegetarian, gluten-free, nut-free, and dairy-free options at each meal (must be noted in CampDoc Form). A camper with food allergies must understand her allergy and know what foods to eat/not eat while at camp. If you would like to discuss your camper's accommodations, please contact Camp Lakota at lakotacamp@girlscoutsla.org.

HEALTH FORMS

Health history forms are completed through CampDoc.com, a secure, encrypted, and password-protected electronic health record system for camps. Within two weeks of registration, you will receive a link to set up your account and complete your camper's health history. Each camper is required to have a physical examination (physician signed) within 12 months of her scheduled camp session. Health forms must be completed one week before the start of your camper's session. All health forms are submitted/uploaded via CampDoc.com. If you have any questions, please contact the camp director at lakotacamp@girlscoutsla.org. Spanish language health history forms are available at camphealthforms@girlscoutsla.org.

SPECIAL NEEDS & ACCOMMODATIONS

Our goal is to provide a positive, inclusive experience for all campers. Parents/guardians of campers with special needs, disabilities, or mobility issues should contact the camp director at lakotacamp@girlscoutsla.org. You can discuss with the camp director the nature of your camper's needs to determine if our camp can provide the proper support and supervision. Please help us ensure your camper's success at camp.

WEATHER

Activities at camp may be altered or canceled due to changes in weather. Every effort will be made to reschedule activities.

GENERAL QUESTIONS/CONTACT

For more info about overnight camp sessions, operations, activities, or dietary needs, please contact Camp Lakota at lakotacamp@girlscoutsla.org.
