WHEN TO REGISTER

Registration for all summer camps opens March 3, 2021. Be sure to secure your spot early, as registrations are processed on a first come, first serve basis. We encourage current Girl Scouts to register online to expedite the registration process before spots sell out! Girls must be registered members for the 2020–21 membership year in order to register for GSGLA camps.

HOW TO REGISTER

Register online at girlscoutsla.org/summercamp.

You'll need an eBiz account and a credit card to sign up for GSGLA camps (and all GSGLA programs): Click on "eBiz" on the top right-hand corner of our homepage and set up your account. Need help or have to reset your login? Email registration@girlscoutsla.org.

Email is the main form of camp communication, so please enter an email address that you actively use, and regularly check your Spam folder.

Not a Girl Scout member? Not a problem! Fill out our membership form at girlscoutsla.org using a credit card to purchase a Girl Scout membership (\$25 per year). Send your completed form and credit card only payment either to registration@girlscoutsla.org. Allow two business days to process, then check your email to find your eBiz login credentials.

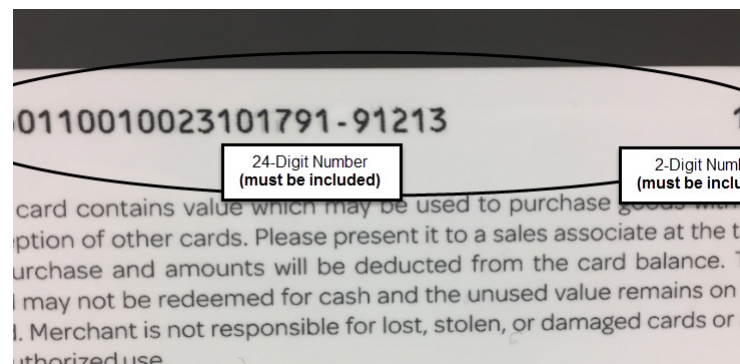

Registered as a Girl Scout in another council? No worries! Simply submit your GSGLA camp forms via email at registration@girlscoutsla.org and contact your council to request that they share your girl's membership record with GSGLA. For additional assistance, email registration@girlscoutsla.org. Allow up to five business days for the council to share the record with GSGLA registrars.

Girls who would like to request a "camp buddy" may do so online. Girls must register for the same camp session. While every attempt is made to place girls together, it is not guaranteed.

El Ranchito, Marine Landing, Mariposa, and Camp Lakota allow for deposits. All other camps found in the camp guide require full payment at the time of registration. Deposits are non-refundable and non-transferable between camps.

CAMP/PROGRAM CREDIT CARDS

Camp/Program Credit Cards can be used to pay for camp sessions in full or in partial payments through paper registration only. They cannot be used to pay for the camp fee deposit. If you are attending a camp with a deposit fee, you must pay the deposit fee with your personal credit card and then use the Camp/Program Credit Card for the remaining balance payment. Paper registration must include the 24-digit card number and the right-side two-digit number located on the back of the card. Please direct all questions to registration@girlscoutsla.org.

CAMP BALANCES

Camp fee balances are due four weeks before the start of every camp session. Late payments or payments not received will result in a loss of placement in the camp and loss of the deposit. It is the responsibility of the camper's parent to pay camp fee balances by this deadline. Balance reminders will not be sent. Balances may be checked through your eBiz account. If a registration is submitted after balances are due, payment in full is required.

If your camper is dropped from the camp due to late payment and you still wish for the camper to attend the camp. You will need to pay an additional deposit fee along with the remainder of the camp balance. Payment must be in full, and space must be available at the camp—no exceptions.

REFUND POLICY

No refunds and no prorated refunds will be made for campers who arrive late, leave early, attend only part of the camp, or choose not to attend the camp. All deposits for all camps are non-refundable and non-transferrable.

Please check school calendars prior to registering your camper to avoid loss of deposit. If your camper is required to attend summer school, please contact registration@girlscoutsla.org. If a camper can no longer attend camp due to illness or injury—a physician's letter must accompany the refund request prior to the start of camp. Please email to registration@girlscoutsla.org.

Refund requests must be submitted by email to Camp Registration at registration@girlscoutsla.org.
