Independent Auditor's Report

To the Board of Directors Girl Scouts of Greater Los Angeles

We have audited the accompanying financial statements of Girl Scouts of Greater Los Angeles, which comprise the statement of financial position as of September 30, 2021, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Girl Scouts of Greater Los Angeles as of September 30, 2021, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Summarized Comparative Information

CohnReynickZZF

We have previously audited Girl Scouts of Greater Los Angeles's 2020 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated January 28, 2021. In our opinion, the summarized comparative information presented herein, as of and for the year ended September 30, 2020, is consistent, in all material respects, with the audited financial statements from which it has been derived.

Notes to Financial Statements September 30, 2021 With Summarized Totals at September 30, 2020

Note 1 - Business activity and summary of significant accounting policies

Business activity

Established in the Los Angeles area in 1922, Girl Scouts of Greater Los Angeles ("GSGLA" or the "Council" or "Girl Scouts"), a 501(c)(3) nonprofit organization, serves 32,000 girls in partnership with nearly 16,000 caring adult members and trained volunteers throughout the communities of Los Angeles County, and parts of Kern and San Bernardino counties. GSGLA is the largest girl-serving nonprofit agency in Los Angeles with programs in entrepreneurship, life skills, outdoor, and STE(A)M.

Girl Scouts' mission is to build girls of courage, confidence, and character, who make the world a better place. Girl Scouts bring their dreams to life and work together to build a better world. Through programs spanning the 6,200 square miles of the GSGLA council, Girl Scouts of all backgrounds and abilities can be unapologetically themselves as they discover their strengths and rise to meet new challenges—whether they want to climb to the top of a tree or the top of their class, lace up their boots for a hike or advocate for climate justice, or make their first best friends. The girls lead the way as they find their voices and make changes that affect the issues most important to them.

Sixty percent of girls throughout Greater Los Angeles live in low-income, under-resourced communities. Driven by our desire to make an impact in more girls' lives, GSGLA contributes significant resources to bringing the Girl Scout Leadership Experience to underserved communities. This year over 10,000 girls participated in GSGLA from low-income zip codes comprising one-third of our total membership. Recently, the COVID-19 pandemic has exacerbated wide health disparities, digital divides, and lack of access, resources, and options due to economic status. Girl Scouts is committed to helping all girls participate in Girl Scouting. In Girl Scouts, diversity is a hallmark of our membership, equity is at the heart of our foundation, inclusivity is a cornerstone of our culture, access is at the forefront of our programs, and belonging—being accepted as you authentically are, being a part of something, and mattering to others—is at our core.

Girl Scouts' K-12 model builds upon progressive experiences that get more dynamic and hands-on as girls advance. Experiences are focused on entrepreneurship, life skills, the outdoors, and STE(A)M. Regardless of the area girls explore, everything Girl Scouts does is steeped in innovation, self-empowerment, leadership development, civic engagement, and creativity. The activities blend critical life-skill development with fun, hands-on programs that keep girls engaged. Every Girl Scout program is designed to give girls the opportunity to:

- Discover life skills and a positive sense of self;
- Connect with others in a multicultural environment; and
- Take action to make the world a better place.

National research tells us that when girls are given the chance to engage in the girl-led, cooperative, and hands-on activities of Girl Scouts, they outperform their non-Girl Scout peers. By providing an all-girl environment with supportive adults, we create a space where girls can try new things, learn new skills, overcome fear of failure, become resilient problem-solvers, build self-esteem, and, ultimately, thrive. The outcomes are powerful. Girl Scouts are more likely than non-Girl Scouts to:

- Have a strong sense of self and positive values;
- Seek challenges and learn from setbacks;

Notes to Financial Statements September 30, 2021 With Summarized Totals at September 30, 2020

- Develop and maintain healthy relationships; and
- Exhibit community problem-solving skills.

Earning any of the highest awards in Girl Scouts—Bronze, Silver or Gold—is challenging in the best of times. But this year 1,605 Junior, Cadette, Senior and Ambassador Girl Scouts imagined and reimagined ways to make an impact in their community despite the restrictions imposed by the COVID-19 Pandemic.

The Girl Scout Gold Award is the highest honor a girl can achieve through the Girl Scout Leadership Experience. Through a multi-year process, including providing more than 80 hours of community service and advocacy, high school Girl Scouts don't just change the world for the better, they change it for good by tackling issues that drive lasting change in their communities and beyond. In 2021, GSGLA recognized 230 Gold Awardees through a pinning ceremony honoring their accomplishments, raising public awareness and financial support to continue to reach more girls throughout Los Angeles. The pursuit of the Gold Award empowers women for a lifetime of possibility, thinking and achieving, and can open doors to scholarships, preferred admission tracks for college, and remarkable careers.

Basis of accounting

The financial statements of GSGLA have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Financial statement presentation

The Council is required to report information regarding its financial position and activities according to two classes of net assets; without donor restrictions and with donor restrictions, which are described as follows:

Net Assets Without Donor Restrictions - Undesignated - Net assets that are not subject to explicit donor-imposed stipulations. Net assets without donor restrictions may be designated for specific purposes by action of the Board.

Net Assets With Donor Restrictions - Net assets subject to donor (or certain grantor) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time, purpose or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, or by the fulfillment of the stipulated purpose, or the occurrence of other events.

Contributions

Contributions received are recorded as without donor restrictions or with donor restrictions depending on the existence or nature of any donor restrictions. Contributions with a donor-imposed time restriction or purpose restriction, which limit the use of the donated assets, are reported as contributions with donor restrictions if the restrictions are not met in the same reporting period. When such donor-imposed restrictions are met in subsequent reporting periods, net assets with donor restrictions are reclassified to net assets without donor restrictions. Contributions of assets which donors have stipulated must be maintained in perpetuity, with only the income earned thereon available for current use, are classified as contributions with donor restrictions in perpetuity.

Notes to Financial Statements September 30, 2021 With Summarized Totals at September 30, 2020

Contributions for which donors have not stipulated restrictions, as well as contributions for which donors have stipulated restrictions but which are met within the same reporting period, are reported as net assets without donor restrictions.

Unconditional promises to give with payments due in future periods are reported as net assets with donor restrictions, when the promises are received. Gifts of land, buildings and equipment are reported as net assets without donor restrictions, unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as net assets with donor restrictions. Absent explicit donor stipulations, the Council reports expirations of donor restrictions when the donated or acquired long-lived assets are placed in service.

Conditional promises to give, that is, those with a measurable performance or other barrier, and a right of return are not recognized until the conditions on which they depend have been substantially met. As of September 30, 2021, the Council did not have any conditional contributions.

Employee retention credit

The Council has elected to follow the guidance regarding contributions found in Financial Accounting Standards Board Accounting Standards Codification 958-605, *Not-for-Profit Entities - Revenue Recognition – Contributions*, to account for its income from the Employee Retention Credit ("ERC").

Cash and cash equivalents

Cash and cash equivalents include cash on hand, demand deposits and all highly liquid investments with an initial maturity date of purchase of three months or less.

Accounts and pledges receivable

Accounts and pledges receivable are stated at unpaid balances, less an allowance for doubtful accounts and a discount on those pledges receivable due in greater than one year using a discount rate of 1%. The Council provides for losses on receivables using the allowance method. The allowance is based on experience and other circumstances, which may affect the ability of customers to meet their obligations. Receivables are considered impaired if full principal payments are not received in accordance with the contractual terms. It is the Council's policy to charge off uncollectible receivables when management determines the receivable will not be collected.

Inventory

Purchased supplies and merchandise inventories are stated at the lower of cost, using the average cost method, or market. No reserve for obsolescence was deemed necessary.

Investments

Investments are reported at their fair values in the statement of financial position. Realized and unrealized gains and losses are included in the statement of activities.

Property and equipment

Property and equipment are stated at cost if purchased or fair value on the date of donation less accumulated depreciation and amortization. Depreciation is provided using the straight-line method over the estimated useful lives of the assets, generally ranging from 3 to 30 years. Construction in progress is stated at cost and depreciation will commence when the assets are placed in service. Leasehold improvements are amortized using the straight-line method over the shorter of the

Notes to Financial Statements September 30, 2021 With Summarized Totals at September 30, 2020

estimated useful life of the asset or the lease term. Expenditures for major renewals and improvements that extend the useful lives of property and equipment are capitalized. Expenditures for repairs and maintenance are charged to expense as incurred.

Long-lived assets

The Council reviews its long-lived assets for impairment whenever events or circumstances indicate the carrying value of the asset may not be recoverable. Recoverability of assets to be held and used is measured by a comparison of the carrying amount of an asset to future undiscounted net cash flows expected to be generated by the asset. If such assets are considered to be impaired, the impairment to be recognized is measured by the amount by which the carrying amount of the assets exceeds the fair value of the assets. Assets to be disposed of are reported at the lower of the carrying amount or fair value, less costs to sell. There were no impairment losses related to long-lived assets during the year ended September 30, 2021.

Fair value of financial instruments

The Council's financial instruments consist of cash and cash equivalents, short-term receivables, investments in securities and short-term and long-term payables. The carrying value for all such instruments, considering the terms, approximates fair value at September 30, 2021.

Custodial funds

Custodial funds consist primarily of membership fees collected that will be remitted to Girl Scouts of the USA ("GSUSA") and other fees collected for the future use of members.

Merchandise sales and product sales

Merchandise sales consist primarily of sales of Girl Scout-related equipment and supplies. Sales occur primarily at the Council's retail stores. Proceeds from merchandise sales help to defer the cost of maintaining the Council's retail stores as a service to members. Revenue is recognized at the time of the sale. Product sales consist of sales of nuts, magazines and cookies by troops. Product sales are net of proceeds to troops and costs of sales, and are recognized at the time of the sale.

Program fees

Program fees consist of payments for camp and other programmatic activities that are held for girls throughout the year. Girls develop their leadership potential through these activities that enable them to learn new skills, connect with others in a multicultural environment and take action to make a difference in their communities. Revenue from program fees is recorded at the time of the program or when earned.

Deferred revenue consists of revenue collected for events that have not yet occurred and property and equipment rental income for programs collected prior to the actual related rental period.

Donated goods and services

Donated goods are historically included in "public support" in the accompanying statement of activities at their estimated fair values at the date of receipt. Support arising from donated services is recognized if the services received require specialized skills, are provided by the individuals possessing those skills and would typically need to be purchased if not provided by donation. Inkind contributions of \$7,000 were recorded for the year ended September 30, 2021, which are included in public support in the statement of activities.

Notes to Financial Statements September 30, 2021 With Summarized Totals at September 30, 2020

A substantial number of volunteers have donated significant amounts of their time to GSGLA's program services and fundraising activities; however, these donated services are not reflected in the financial statements since these services do not meet the criteria for recognition as contributed services.

Girl Scout troop activity

Cash held in troop and group accounts operate under GSGLA's federal identification number but not under its control. The Council has no signature authority over and will not access the funds as long as a troop or group is functioning according to Girl Scout policy and procedure. Individual troops and groups have the responsibility to use funds in their control for the purposes of Girl Scouting as determined by the members and adult volunteers. The accompanying financial statements do not include financial data for individual Girl Scout troops and other groups such as service units, committees and volunteer-led camps.

Deferred rent

The Council records rent expense under its operating leases on a straight-line basis over the lease terms. Deferred rent results from the difference between increasing monthly cash rent payments and the straight-line expense. In addition, the Council sometimes receives up-front tenant allowances upon entering certain lease agreements. Such allowances are recorded as a deferred rent liability in the accompanying statement of financial position, and amortized as a reduction to rent expense on a straight-line basis over the lease terms.

Functional allocation of expenses

The costs of providing various programs and activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited based on time spent by personnel for the activities.

Fair value measurements

The Council values its financial assets and liabilities based on the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. In order to increase consistency and comparability in fair value measurements, a fair value hierarchy prioritizes observable and unobservable inputs used to measure fair value into three broad levels, which are described as follows:

- Level 1: Quoted prices (unadjusted) in active markets that are accessible at the measurement date for identical assets or liabilities. The fair value hierarchy gives the highest priority to Level 1 inputs.
- Level 2: Observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in inactive markets; or model-derived valuations in which all significant inputs are observable or can be derived principally from or corroborated with observable market data.
- Level 3: Unobservable inputs are used when little or no market data is available. The fair value hierarchy gives the lowest priority to Level 3 inputs.

Income taxes

The Council is a not-for-profit organization exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and Section 23701(d) of the Revenue and Taxation Code of California. Accordingly, no provision for income taxes is included in the accompanying financial statements.

Notes to Financial Statements September 30, 2021 With Summarized Totals at September 30, 2020

The Council has no unrecognized tax benefits at September 30, 2021. The Council's federal and state income tax returns prior to the 2018 and 2017 fiscal years, respectively, are closed and management continually evaluates expiring statutes of limitations, audits, proposed settlements, changes in tax law and new authoritative rulings.

If applicable, the Council recognizes interest and penalties associated with tax matters as part of income tax expense and includes accrued interest and penalties with accrued expenses in the statement of financial position.

Sales taxes

The State of California imposes a sales tax on certain of the Council's sales to nonexempt customers. The Council collects that sales tax from customers and remits the entire amount to the State. The Council's accounting policy is to exclude the tax collected and remitted to the State from revenue and cost of sales.

Use of estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Comparative totals

The financial statements include certain prior year summarized comparative information in total. Such information does not include sufficient detail to constitute a presentation in conformity with GAAP. Accordingly, such information should be read in conjunction with the Council's financial statements for the year ended September 30, 2020, from which the summarized information was derived.

Subsequent events

The Council has evaluated the impact of subsequent events through February 7, 2022, which is the date the financial statements were available to be issued.

Note 2 - Liquidity and availability

The Council regularly monitors liquidity required to meet its operating needs and other contractual commitments, while also striving to maximize the investment of its available funds. For purposes of analyzing resources available to meet general expenditures over a 12-month period, the Council considers all expenditures related to its ongoing activities. The Council strives to operate with a balanced budget except where timely opportunities or critical issues warrant expenditures higher than revenues. In the event of an unanticipated liquidity need, the Council also could draw upon an available line of credit of \$4,000,000 (see Note 8). The Council has various sources of liquidity at its disposal, including cash and cash equivalents, accounts and pledges receivable, and investments.

The emergence of the coronavirus ("COVID-19") may impact the Council's liquidity (see Note 10). Management continues to regularly monitor liquidity and has reduced expenditures as a result of reduced revenue streams.

Financial assets in excess of daily cash requirements are invested in long-term fixed income securities, equities, and alternatives.

Notes to Financial Statements September 30, 2021 With Summarized Totals at September 30, 2020

At September 30, 2021, the Council had the following financial assets and liquidity resources available over the next 12 months:

Cash and cash equivalents	\$	2,321,133
Accounts and pledges receivable, current portion, net		324,240
Short-term investments		13,508,807
	\$	16,154,180
	Ψ	10, 104, 100

Note 3 - Concentrations

Financial instruments that potentially subject the Council to concentrations of credit risk consist primarily of cash and cash equivalents at financial institutions. The Council maintains its cash and cash equivalents with high credit quality financial institutions. At times, such amounts may exceed federally insured limits.

The Council's investments are subject to various risks, such as interest rate, credit and overall market volatility risks. Further, because of the significance of the investments to the Council's financial position and the level of risk inherent in most investments, it is reasonably possible that changes in the values of these investments could occur in the near term and such changes could materially affect the amounts reported in the financial statements. Management is of the opinion that the diversification of its invested assets among the various asset classes should mitigate the impact of changes in any one class.

At September 30, 2021, approximately 52% of the Council's accounts and pledges receivable is due from two donors.

For the year ended September 30, 2021, approximately 57% of revenues and support was derived from net cookie and fall product programs. For the year ended September 30, 2021, one donor accounted for approximately 10% of the Council's contributions.

Note 4 - Accounts and pledges receivable

At September 30, 2021 and 2020, accounts and pledges receivable consisted of the following:

		2021						2020
	Accounts receivable		Pledges receivable			Total		Total
Gross amount Present value discount		75,280 -	\$	298,453 (1,460)	\$	373,733 (1,460)	\$	915,438 (1,660)
Total Less current portion		75,280 (75,280)		296,993 (248,960)		372,273 (324,240)		913,778 (851,495)
	\$		\$	48,033	\$	48,033	\$	62,283

At September 30, 2021, gross undiscounted pledges receivable due in less than one year is \$248,960, gross undiscounted pledges receivable due in one to five years is \$49,493 and no

Notes to Financial Statements September 30, 2021 With Summarized Totals at September 30, 2020

amounts are due in more than five years. At September 30, 2021, the Council believes that all pledges receivable are collectible.

Note 5 - Investments

At September 30, 2021 and 2020, investments consisted of the following:

	2021			2020		
Mutual funds						
Equities	\$	3,176,411	\$	2,677,358		
Bonds		1,452,290		398,905		
Corporate bonds		3,431,550		2,497,898		
Treasury notes and bonds		9,610,569		11,192,348		
Equities						
Domestic		6,383,542		4,842,343		
International		-		211,015		
Cash funds		3,022,355		223,097		
Certificates of deposits		407,426		-		
Annuity		18,611		18,611		
Total investments		27,502,754		22,061,575		
Less short-term investments		13,508,807		11,002,772		
Long-term investments	\$	13,993,947	\$	11,058,803		

Note 6 - Fair value measurements

Financial assets carried at fair value at September 30, 2021 are classified in the table below in one of the three categories described in Note 1:

	 Level 1	Level 2	Level 3	Total
Mutual funds				
Equities	\$ 3,176,411	\$ -	\$ -	\$ 3,176,411
Bonds	1,452,290	-	-	1,452,290
Corporate bonds	-	3,431,550	-	3,431,550
Treasury notes and bonds	-	9,610,569	-	9,610,569
Equities				
Domestic	6,383,542	-	-	6,383,542
Cash funds	3,022,355	-	-	3,022,355
Certificates of deposits	-	407,426	-	407,426
Annuity		 18,611	 	 18,611
Total	\$ 14,034,598	\$ 13,468,156	\$ 	\$ 27,502,754

Financial assets valued using Level 1 inputs are based on unadjusted quoted market prices within active markets, and are valued on a recurring basis. Financial assets valued using Level 2 inputs

Notes to Financial Statements September 30, 2021 With Summarized Totals at September 30, 2020

are based on the present value of expected cash flows. For the year ended September 30, 2021, there have been no changes in the valuation methodologies.

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Council believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note 7 - Property and equipment

At September 30, 2021 and 2020, property and equipment consisted of the following:

	2021	2020
Land and land improvements Building and improvements, including leasehold improvements Furniture, fixtures and equipment Computer hardware and software	\$ 7,122,282 26,654,209 1,690,708 666,212	\$ 7,579,308 12,171,979 1,550,853 602,660
Less accumulated depreciation and amortization	36,133,411 (8,638,004)	21,904,800 (8,248,054)
Construction in progress	27,495,407 181,400	13,656,746 15,789,916
	\$ 27,676,807	\$ 29,446,662

Depreciation and amortization expense for the year ended September 30, 2021 was \$1,464,994.

In June 2021, the Council sold the Arcadia service center property and received proceeds of \$6,801,584. The gain on the sale was \$6,250,665. The Council recorded a loss of \$14,750 related to the disposal of other fixed assets.

Note 8 - Line of credit

The Council has a line of credit with a bank with a maximum borrowing limit of \$4,000,000 maturing in June 2022. Borrowings on the line of credit bear interest at 3.50% and are secured by substantially all of the Council's assets. At September 30, 2021, there were no outstanding borrowings under the line of credit.

Note 9 - Note payable

In October 2019, the Council entered into a loan agreement with a bank for construction with a maximum borrowing limit of \$8,000,000 with a draw period ending October 1, 2020. The loan bears interest at 3.5% and matures in October 2034. Under the terms of the agreement, the Council makes monthly interest only payments through October 1, 2020 and commencing November 1, 2020, the Council makes monthly principal and interest payments of \$60,499. The note is secured by real property.

Notes to Financial Statements September 30, 2021 With Summarized Totals at September 30, 2020

The line of credit and note payable agreements contain covenants regarding certain financial and nonfinancial requirements. At September 30, 2021, the Council was in compliance with or received a waiver for all such covenants.

Principal payments for each of the next five years and thereafter at September 30, 2021 are as follows:

2022	\$ 464,223
2023	480,967
2024	497,678
2025	516,266
2026	534,887
Thereafter	 5,095,004
	\$ 7,589,025

Note 10 - Commitments and contingencies

Operating leases

The Council leases five properties under noncancelable operating leases expiring through October 2029. Certain leases contain renewal options and escalation clauses. Total rent expense under the leases was \$629,063 for the year ended September 30, 2021.

The Council's minimum lease requirements under the noncancelable leases for each of the next five years and thereafter subsequent to September 30, 2021 are as follows:

2022	\$ 572,810
2023	589,392
2024	606,471
2025	624,062
2026	628,789
Thereafter	1,823,194
	\$ 4,844,718

Capital leases

The Council has certain equipment which is accounted for as capital leases. At September 30, 2021, the net balance of equipment under capital leases is as follows:

Equipment Less accumulated depreciation	\$ 66,111 (26,664)
Net balance of equipment under capital lease	\$ 39,447

Notes to Financial Statements September 30, 2021 With Summarized Totals at September 30, 2020

Minimum future lease payments under the capital lease for each of the next three years subsequent to September 30, 2021 are as follows:

2022	\$	26,630
2023		20,044
2024		11,608
Net minimum lease payments		58,282
Less amount representing interest		(1,627)
		56,655
Less current portion		(25,921)
	•	
	<u>\$</u>	30,734

Contingencies

The Council is subject to certain claims that arise out of the normal operations of the Council. In the opinion of management, the Council has sufficient liability insurance to cover any such claims, and these matters will not have a material effect on the financial position of the Council if disposed of unfavorably.

Coronavirus

On March 11, 2020, COVID-19 was declared a pandemic by the World Health Organization, resulting in the disruption in operations of businesses domestically and globally. In response, the Council pivoted quickly and agilely. Virtual programming for girls was developed nationally and locally to ensure girls could still benefit from the Girl Scout Leadership Experience. The Council went to a virtual work environment except for some select personnel and also implemented cost savings and other measures to reduce operating expenses and preserve capital, while still ensuring services were provided to members. Due to the uncertainty of the continued spread of the virus and economic outlook, there may be short-term and long-term implications for operations of the Council.

Note 11 - PPP loan

Gain on PPP loan forgiveness

In April 2020, the Council received a Small Business Administration ("SBA") loan in the amount of \$1,923,000. Under the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act"), Paycheck Protection Program ("PPP") loan recipients meeting certain criteria set by the SBA may be eligible for full or partial forgiveness of such loans. During the year ended September 30, 2021, the Council submitted its application for loan forgiveness and received notice from the SBA in March 2021 that the SBA approved forgiveness of the full amount of the loan and the related interest thereon. Accordingly, the Council recognized a gain on loan forgiveness on the statement of activities.

PPP loan

In March 2021, the SBA approved a second draw PPP loan amount of \$2,000,000, for the Council. The loan has a five-year maturity and includes a fixed interest rate of 1% per year until the maturity date. Under the CARES Act, PPP loan recipients meeting certain criteria set by the SBA may be eligible for full or partial forgiveness of such loans. The Council has not submitted its application for

Notes to Financial Statements September 30, 2021 With Summarized Totals at September 30, 2020

PPP loan forgiveness as of September 30, 2021, but expects to do so in 2022 and believes it will qualify for full or partial forgiveness.

Note 12 - Net assets with donor restrictions

At September 30, 2021 and 2020, net assets with donor restrictions consisted of the following:

	 2021		2020		
Time or purpose:		•			
Camperships	\$ 7,489	\$	13,266		
Capital	157,326		453,287

Perpetual: Endowment investments	 141,609		141,609		
	\$ 735,870	\$	1,049,075		

Note 13 - Program related sales

The gross revenue and expense of product and merchandise sales for the years ended September 30, 2021 and 2020 are as follows:

		2021						2020
		roduct sales	Merchandise sales		Total		Total	
Gross revenue Troop proceeds Direct costs	\$	19,017,064 (3,703,004) (4,626,616)	\$	691,539 - (202,667)	\$	19,708,603 (3,703,004) (4,829,283)	\$	34,582,501 (6,546,711) (8,393,019)
Product and merchandise sales, net	\$	10,687,444	\$	488,872	\$	11,176,316	\$	19,642,771

Note 14 - Endowment

The Council's endowment consists of individual funds established for a variety of purposes. The endowment consists of donor-restricted funds. As required by GAAP, net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions.

Notes to Financial Statements September 30, 2021 With Summarized Totals at September 30, 2020

The Board of Directors of the Council has interpreted the State of California Uniform Prudent Management of Institutional Funds Act ("UPMIFA") as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Council classifies as net assets with donor restrictions: (a) the original value of gifts donated to the perpetual endowment, (b) the original value of subsequent gifts to the perpetual endowment, and (c) accumulations to the perpetual endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. In accordance with UPMIFA, the Council considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds: (1) the duration and preservation of the various funds, (2) the purposes of the Council and donor-restricted endowment funds, (3) general economic conditions, (4) the possible effect of inflation and deflation, (5) the expected total return from income and the appreciation of investments, (6) other resources of the Council, and (7) the Council's investment policies.

Investment return objectives, risk parameters and strategies

The Council has adopted investment and spending policies, approved by the Board of Directors, for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment funds while also maintaining the purchasing power of those endowment assets over the long term. Accordingly, the investment process seeks to achieve an after-cost rate of return which exceeds the annual distribution with acceptable levels of risk.

Spending policy

The Council has a policy of appropriating for distribution each year up to 5% of its donor-restricted endowment fund's average fair value of the prior 12 quarters through the preceding fiscal year in which the distribution is planned. In establishing this policy, the Council considered long-term expected return on its investment assets, the nature and duration of the individual endowment funds, many of which must be maintained in perpetuity because of donor restrictions, and the possible effects of inflation. The Council expects the current spending policy to allow its endowment funds to grow at a nominal average rate annually. This is consistent with the Council's objective to maintain the purchasing power of the endowment assets as well as to provide additional real growth through new gifts and investment return.

Endowment net asset composition by type of fund as of September 30, 2021 and 2020 is as follows:

	2020				
	or purpose stricted	erpetually estricted	Total	Total	
Camperships General endowment Scholarships	\$ 7,489 23,156 33,951	\$ 16,414 50,752 74,443	\$ 23,903 73,908 108,394	\$	22,351 69,109 101,357
Total	\$ 64,596	\$ 141,609	\$ 206,205	\$	192,817

Notes to Financial Statements September 30, 2021 With Summarized Totals at September 30, 2020

Changes in endowment net assets for the years ended September 30, 2021 and 2020 are as follows:

			2020			
	Time or purpose Perpetually restricted restricted		Total	Total		
Balance, beginning Investment income Appropriation	\$	51,208 22,503 (9,115)	\$ 141,609 - -	\$ 192,817 22,503 (9,115)	\$	189,530 8,689 (5,402)
Balance, end	\$	64,596	\$ 141,609	\$ 206,205	\$	192,817

As of September 30, 2021, there were no deficiencies of donor-restricted endowment funds.

Note 15 - Employee pension plan

The Council participates in the National Girl Scout Council Retirement Plan ("the Plan"), a noncontributory defined benefit pension plan sponsored by GSUSA. The National Board of GSUSA voted to freeze the Plan to new entrants and to freeze future benefit accruals for all current participants under the Plan effective July 31, 2010. The Plan covers substantially all of the employees of various Girl Scout councils who were eligible to participate in the Plan prior to the Plan freeze. Accrued and vested benefits prior to July 31, 2010 are based on years of service and salary levels.

Although net plan assets grew during the year, net plan assets available for plan benefits continue to be less than the actuarial present value of accumulated plan benefits as of January 1, 2021. Based on the April 18, 2014 conditional approval by the Internal Revenue Service, all existing amortization bases in the Plan's funding standard account as of January 1, 2013 were combined into one base and the resulting amortization period for that single base was extended to 10 years. Approval applies as long as, at a minimum, beginning with the January 1, 2013 calendar year, \$30,000,000 is remitted. The \$30,000,000 calendar year minimum applies for each succeeding calendar year until the Plan is fully funded based upon the requirements of the Pension Protection Act of 2006 ("PPA"). In 2021, the funded status of the Plan increased, and the \$30,000,000 minimum will no longer apply. In addition, on April 8, 2014, President Obama signed H.R. 4275 into law, a relief package unanimously passed by Congress that gives the Plan the flexibility to adopt the PPA funding requirements immediately or not at all. The Plan has elected to adopt this relief and not be subject to PPA. In September 2020, the National Board of GSUSA approved to lower the contributions from \$30,000,000 to \$26,000,000 starting in calendar year 2023 until the Plan is fully funded on a market basis. Aggregate annual contributions made in fiscal year 2021 were \$32,900,000. The Council made contributions of \$576,324 for the year ended September 30, 2021. Aggregate contributions to be made in fiscal 2022 are expected to be \$32,200,000.

In addition, the Council maintains a 403(b) Thrift Plan (the "Thrift Plan") for eligible employees. Under the provisions of the Thrift Plan, the Council can make discretionary contributions for the benefit of eligible employees. For the year ended September 30, 2021, the Council expensed and accrued contributions of \$47,622.

Notes to Financial Statements September 30, 2021 With Summarized Totals at September 30, 2020

Note 16 - Related party transactions

The Council is chartered by GSUSA. During the year ended September 30, 2021, the Council remitted payments for financial assistance of membership dues in the amount of \$117,660 to GSUSA. The Council purchases inventory from GSUSA, of which total purchases amounted to \$388,950 for the year ended September 30, 2021. At September 30, 2021, amounts due to GSUSA and included in accounts payable were \$14,354.

Note 17 - Employee retention credit

Under the provisions of the CARES Act, the ERC provides eligible employers with less than 500 employees a refundable tax credit against the employer's share of social security taxes. The ERC is equal to 70% of qualified wages paid to employees during calendar year 2021 for a maximum credit of \$7,000 per employee for each calendar quarter through September 30, 2021. During the year ended September 30, 2021, the Council recognized \$1,846,743 related to the ERC on the statement of activities.

Note 18 - Subsequent event

In October 2021, the Council entered into a ten years and four months property lease agreement, which will commence during fiscal year 2022. The lease contains renewal options and base rent escalation.

Independent Member of Nexia International cohnreznick.com
