

THE CAMPAIGN FOR LAKOTA

GSGLA's historic Camp Lakota is undergoing a major renovation! By the summer of 2020, Camp Lakota will feature a centralized dining hall and cabins to accompany programming amenities including a high and low ropes course, archery range, swimming pool, nature trails, and equestrian center. As we embark on the rebuilding of our beloved camp, we need your help to ensure Camp Lakota will be an inspiring outdoor space for thousands of girls to experience high adventure all year long. Join us in support of the CAMPAign for Lakota!
