

Before you sign-up did you do the 1st camping training?

Step 1 & Step 2 Prerequisites MUST be completed before registering in Camping Skills

We appreciate your interest in the Camping Skills class. We've created this informational list to better prepare you for the adventure ahead. Before you register, be aware that **Camping Skills has several short online modules to view and a prerequisite training to be taken prior to attending the class.** Please see below:

Step 1 – View [Online Modules](#)

These short modules have been **prepared for your convenience** so the next step could be shortened. Go to www.gsclaonlinetraining.org to login or create a new account if needed. Use your computer, tablet, or phone, as we're mobile friendly! If you need help accessing Online Modules or have questions, contact Training@girlscoutsla.org

While viewing the online modules note your questions so you can ask them at the Indoor Overnight training.

After you login, go to: **Be a Troop Volunteer** section -

✓ **Select “Troop Camper”**

- Under **Prerequisites**, select **“Indoor Overnight”**
- Complete these courses under the **Prerequisites tab**
 - ***Safety-Wise (4 modules)***
 - ***Stepping Out (1 module)***
 - ***Troop Chaperone/Helper (1 module)***
 - ***Troop Driver Safety (2 modules)***

Step 2 – Register for Indoor Overnight

The Indoor Overnight training is required to sleep inside a structure for 2 nights or less with a troop/group of girls.

Indoor Overnight formats are:

- Live webinar
- Classroom setting
- Combined with Camping Skills as an Overnight

Register for the Indoor Overnight training of your choice on [GSGLA eBiz](#) activities.

By taking a few moments to view the above modules ahead of time you will gain knowledge and information that will better prepare you for your Indoor training. For your convenience, topics covered in the modules will be minimized in the presentation, we welcome your questions during the live training. It is your responsibility to access the prerequisites in order to have a more complete understanding of your accountability for the information presented in the Indoor Overnight training.

Congratulations!

You are now prepared to register for Outdoor Camping!

Step 3 – Now please Register for Camping Skills

The Camping Skills training is required to sleep in a tent and cook with/over fire outdoors with a troop/group of girls. This training is required for sleeping in the backyard as well. Camping Skills is a hands-on experience in the outdoors, offered as:

- All day class
- Combined Indoor & Camping Skills Overnight (1 full day and night)

Register for Camping Skills training on [GSGLA eBiz](#) activities.

Camping Skills, some notes to help you have a pleasant experience:

- **Objective:** Presentation is geared to instruct volunteers to be able to safely teach their girls using the Girl Scout way approved by national policies.
- **Skills Covered:** cooking outdoors (meals prepared), camping gear instruction (stoves, lanterns, knives, hatchets, tents, knots) and much more...

Reminders:

- Training will be held rain or shine! And you will be outside all day, so be prepared with sunscreen, a hat, and sneakers/running shoes/hiking boots ~~laced shoes/boots~~ ONLY.
- A list of gear will be sent to you prior to training – we have some gear to share ~~loaners~~ as well.
- A smile and good spirit are always a good thing too!
