

Frequently Asked Questions (FAQ) For Membership Renewal For Families and Individuals

Will our Troop Leader renew our memberships for us?

If you are part of a troop, check with your Troop Leader. Your Leader may be planning on renewing the troop members. If so, she may need to collect membership dues from you. If the Leader will not be renewing your troop, please renew your family by logging in to MyGS.

How do I login to MyGS to renew?

Go to www.girlscoutsla.org and click on the yellow MyGS link, and then click Member Profile. Login using the email address where you receive other GS notifications. If you don't remember your password, click on the Forgot Your Password link. Once you're logged in, go to the Membership tab.

How do I renew for the next membership year?

The renewal option for the next membership year will become available after April 1 for early renewal. When you first login, you will see the CURRENT YEAR and will see "Current" status for every member of your family who has a current membership. You must renew for the CURRENT YEAR before registering for NEXT YEAR.

Once everyone is current, click the drop down next to CURRENT YEAR and select NEXT YEAR, and continue with the renewal process. You must select Renew, Decide Later, or Do Not Renew for each member to continue. It is recommended to choose "Decide Later" if you are unsure about renewal as choosing "Do Not Renew" will remove the online renewal option so you will be unable to renew at a later time.

What does the Status column mean on my roster?

The Status column will tell you if your family's membership is current or not.

- *Current* means that the individual's membership is active for that year (yay!).
- *Time to Renew* means that member does not have a membership for that year.
- *In Progress* may mean that the Troop Leader has started the membership process, but has not yet finished it. For adults who have selected a volunteer role, it can also mean that their background screening is being processed.
- *Payment Pending* means the member has not completed the payment.
- *Inactive* means that that member is no longer in the troop.

How do I select a new troop for my daughter?

To add or change troops, click on the green [Add/Change Troop](#) link to the right of the girl member. You will be directed to our online catalog to search for a new troop. Search and select the troop, then submit a request to customercare@girlscoutsla.org to end your daughter's participation in her previous troop. If you can't find the troop you are looking for try expanding your radius. If you are still unable to find the troop, contact customercare@girlscoutsla.org or call (213) 213-0123.

If my daughter is bridging to a new troop next year, do I renew our membership with the current troop or the new troop?

We recommend that you renew her membership with the current troop and request a transfer for the new troop by contacting customercare@girlscoutsla.org or calling (213) 213-0123 and providing the reason for the transfer and the membership year to be transferred.
