M2 Customer Service

The M2 Customer Service hotline is available to all troops seeking information about the status of an order. Online orders are placed immediately with the publisher, and customers typically see their first issue in just 6-8 weeks. Please note that schedules are dependent on the frequency of the publication. E.g. quarterly magazines will see a much longer turn around as the order may have just missed an issue, which maximizes the delay.

If you wish to investigate the status of your Girl Scout orders, you may call the 800 number at any time or email question@gsnutsandmags.com. You must have the customer's name, address, magazine name, and either new or renewal information. M2 has great representatives and can readily track your orders.

Parents may also contact M2 Customer Service to inquire about the status of their daughter's avatar patch.
