

Online Orders

Direct-Ship

All direct-ship orders placed online by customers are shipped by Trophy Nut. Customers need to be aware of shipping costs. Note that chocolate items are recommended to be shipped 2nd day air with refrigeration, and this will add to the standard shipping cost. Even one chocolate item means the whole order will be shipped 2nd day air with refrigeration.

Customers must call M2 Customer Service to change or cancel any online orders for nut/candy products or magazines: 800-372-8520.

Girl Delivery

Customers may choose the “Girl Delivery” option when placing an online order. These orders will be delivered to the troop on delivery day and the girl will connect with the customer for delivery. Payment is made at the time of the order, so no financial transaction is necessary.
