Dear GSGLA Girl Scouts and Girl Scout Families,

I'm so excited for another season of cookies, and I know our community is too!

Tested by time, backed by research, and proven by the outcomes of our alumnae, the positive impact of the Girl Scout Leadership Experience in the lives of girls is undeniable. The upcoming Girl Scout Cookie Program is a beloved, time-honored tradition of the Girl Scout Leadership Experience that teaches critical financial literacy and entrepreneurial skills.

During the COVID-19 Pandemic, Girl Scouts of Greater Los Angeles has delivered classic programming in new and innovative ways to serve girls exactly where they are, prioritizing their health and safety above all else. GSGLA carefully considers the ever-changing health climate and is proactively creating the strongest and safest Cookie Program possible for girls and adults. We're ready to pivot as needed, always keeping the health, safety, and wellbeing of our girls, families, and communities top of mind.

In true Girl Scout fashion, we will continue persevering to serve girls and adapt programming based on the latest information from the CDC and local and state government organizations. GSGLA Cookie Program starts with "Go Day" on Jan. 24, 2021, with Digital Cookie opening on Jan. 11, 2021, for order taking through the digital cookie link! I can't wait to see your cookiepreneurs in action—safely and creatively!

Yours in Girl Scouting,
