

Allocate Booth Sales

This is achieved in eBudde by allocating booth cookies to individual girls. All boothing proceeds should be held by the adult at the booth and deposited directly into the troop bank account promptly after the booth.

GSGLA also suggests that troops download and utilize the Booth Sales Recorder app which enables allocation in real time from a mobile device. Allocating cookies sold at a booth from either the Booth Sales Recorder app or on the Booth Sites tab assigns cookies and payment to the girls in one easy step. It also gives the troop and the service unit the ability to look back at a booth site to see how it performed.

To use the Booth Sales Recorder from inside of eBudde

- **BOOTH SITES** tab (select Record Sales from the drop-down menu) or click **RECORD BOOTH SALE** from the **GIRL ORDERS** tab.
- Select the booth site that you wish to allocate packages or GOC.
- Enter the number of packages of cookies sold, by variety.
- All of the girls in the troop will be listed with check marks by their names. Uncheck any girls who were not at that booth.
- Click **DISTRIBUTE**, eBudde will allocate the cookies and money evenly amongst the girls selected.
- Click **SUBMIT SALE**.
