Promoting Youth Development

According to an American Camp Association (ACA) study, camp engages youth to learn about themselves while gaining skills in:

- leadership
- independence
- social comfort
- self-esteem
- friendship skills
- adventure & exploration
- environmental awareness
- values & decisions
- peer relationships
- spirituality

Dear GSGLA Girl Scouts and Girl Scout Families,

As we dive into a new year, we spotlight the wealth of outdoor activities available to our members that promote the development of new friendships and help create lifelong memories at summer camp—a time-honored Girl Scout tradition. We encourage Girl Scouts to pinpoint their distinctive niches through hands-on camping activities like zip lining, archery, kayaking, and snorkeling as well as marine science exploration, singing, dancing, robotics/building, and more.

Through established day and overnight camp programs, Girl Scouts has helped build girls of courage, confidence, and character. Whether urban hiking or riding horses at Camp Osito; taking part in exhilarating STEM labs at Mariposa and La Casita Day Camps; swimming and boating at Marine Landing; or developing a musical theater masterpiece at El Ranchito, there is something for every girl. Plus, traditional happenings like campfire stories and s'mores serve to honor longtime traditions of Girl Scouting.

Camp can serve as a prime place for girls to discover more about themselves, lean into new opportunities, stretch the bounds of achievable goals, and tap into newfound levels of self-esteem. See what's new and popular in our Summer Camp Guide pages and uncover new ways to find yourself and unleash your G.I.R.L. power. We can't wait to see you at summer camp!

Yours in Girl Scouting,

Lise L. Luttgens
Chief Executive Officer

FIND YOUR SELF

at Girl Scout camp.

Find your unique fit & fun! Tap into something new & discover YOU!

At each of our camps, girls unearth a new sense of self. While singing songs and making s'mores around the campfire, riding a horse, trying zip-lining, and even snorkeling for the first time, each girl grows and develops. Each gains a sense of pride by tackling fears, learning new skills, and making friends, ultimately returning home armed with a new sense of accomplishment and self-awareness from taking part in fresh, exciting outdoor adventures.

There's a camp experience waiting for every girl—from stargazing and discovering wildlife to rock-wall climbing and canoeing. In Greater LA, girls can explore the mountains and the sea or conquer obstacle courses in a park.

IS MY DAUGHTER READY FOR CAMP?

We know that sending your daughter to camp is a big decision—especially when it's her first time away from home. Girls as young as kindergarten can attend GSGLA day camps and girls in second grade and up can join overnight camps. It is a great way for them to explore their independence in a safe, supervised environment. She'll problem solve, learn to work together with girls her age, and return home excited to share the many new skills she learned. Whether or not she brings a friend, she will quickly make new friends during her many camp adventures! Whether you have mastered several outdoor skills or it's your first camp experience, this is the perfect chance to explore, play, grow, and discover YOU.

Within one week of your registration, you will receive a link to set up your account and complete your camper's health history. Each camper is required to have a physical examination (physician signed) within 12 months of their scheduled camp session. Health forms must be completed 10 days before the start of your camper's session. All health forms are submitted/uploaded via CampDoc.com. GSGLA has partnered with EXER Urgent Care to provide physicals at no cost. If you would like more information about this option, please contact the Camp Director at kgonzales@girlscoutsla.org.

If you need a Spanish health history form, do not have access to a computer, or have any questions about [CampDoc.com](https://www.campdoc.com), please contact ositoranchohealthforms@girlscoutsla.org or call the Osito Rancho Health Forms Hotline at 626-677-2282.

ACCREDITATION

Camp Osito Rancho is proud to be accredited by the American Camp Association (ACA). Every three to five years, the camp goes through an accreditation process with on-site visits to evaluate and verify compliance with national standards established by professionals in the camping industry. This is an action we take voluntarily. The standards establish guidelines for needed policies, procedures, and practices in the administration of key aspects of camp safety management.

WEATHER

Due to summer storms, activities at Camp Osito Rancho may have to be altered or canceled. Our primary concern is for the girls' safety, and every effort will be made to reschedule activities.

WHEN TO REGISTER

Registration for all summer camps opens Feb. 15, 2019. Registrations are processed on a first-come, first-served basis. We encourage current Girl Scouts to register online to expedite the registration process before spots sell out! Girls must be registered members for the 2018–19 membership year in order to register for GSGLA camps.

HOW TO REGISTER

Register online at girlscoutsla.org/summercamp. You'll need an eBiz account and a credit card to sign up for GSGLA camps (and all GSGLA programs): Simply click on "eBiz" on the top right-hand corner of our homepage and set up your account. Need help or have to reset your login? Email registration@girlscoutsla.org.

Email is the main form of camp communication, so please enter an email address that you actively use, and check your Spam folder regularly.

Not a Girl Scout member? Not a problem! You'll just need to go to our webpage at girlscoutsla.org and click on "Become a Girl Scout". Fill out the membership form at the link and within 24 hours you will receive your eBiz credentials in an email.

Girls who would like to request a "camp buddy" may do so in their online health forms via CampDocs. Your link to CampDocs will be emailed to you once you have completed the registration process. Girls must register for the same camp session. While every attempt is made to place girls together, it is not guaranteed.

El Ranchito, Marine Landing, Mariposa, La Casita and Camp Osito Rancho allow for deposits. All other camps found in the camp guide require full payment at the time of registration. **Deposits are non-refundable and non-transferable between camps.**

CAMP/PROGRAM CREDIT CARDS

Camp/Program Credit Cards can be used to pay for camp sessions in full or in partial payments through paper registration only. **They cannot be used to pay for the camp fee deposit.** If you are attending a camp that has a deposit fee, you must pay the deposit fee with your personal credit card and then you may use the Camp/Program Credit Card for the remaining balance payment. Balance reminders will not be sent.** Balances may be checked through your eBiz account. **If a registration is submitted after balances are due, payment in full is required.**

If your camper is dropped from the camp due to balance not being paid by the deadline and if you still wish for the camper to attend the camp, you will need to pay a new deposit fee along with the remainder of the camp balance. Payment must be in full and space must be available at the camp—no exceptions.

General Camp

FREQUENTLY ASKED QUESTIONS

Who owns and operates the camps?

Girl Scouts of Greater Los Angeles (GSGLA) owns and operates two resident camps in the Greater Los Angeles area: Camp Osito Rancho in Big Bear and Camp Lakota in Frazier Park. Resident camp is scheduled to reopen June 2020 at Camp Lakota. GSGLA also operates several unique program sites that host day and/or specialty camps listed on p. 20. While many camps are held at GSGLA-owned facilities, GSGLA has partnerships with non-Girl Scout facilities to host specialty camping opportunities created to best meet the varying interests of girls. GSGLA program staff work directly with these partners when offering a camp experience through our organization.

Do I have to be a Girl Scout to attend camp?

If a camper is not currently a Girl Scout, a one-time \$25 annual membership fee will be applied in addition to your total camp fees. As a member, girls can participate in an array of council-sponsored programs located across Greater Los Angeles during the current program year.

Are there age limits for certain camps?

Yes, all of our camps are geared toward certain age groups. Please check camp descriptions for grade specifications. Listed grades refer to the upcoming school year which is the grade the camper will be attending in the fall.

Is financial aid available?

Yes, financial aid “camperships” are available for campers whose family financial circumstances might otherwise prevent them from attending camp. Interested applicants must submit the Financial Aid Campership Application with their Camp Registration Form and family contribution by May 24, 2019. For more details, see p. 28.

Will my camper need a physical examination to attend camp?

For resident camp, yes. Each camper is required to have a physical examination within 12 months of the starting day of their scheduled camp session. A Health History Form is required for all campers and must be completed no more than 10 days prior to the camper’s session. This year GSGLA is partnering with EXER Urgent Care to provide no cost physicals for Girl Scouts attending Osito resident camp. For more information on this opportunity, please contact our Camp Osito Rancho team at ositocamp@girlscoutsla.org.

What if my child needs medical or special attention while at camp?

Resident camp has a health director on site, and all camps have first-aid-certified adults on site at all times who administer routine health care and any medications. An emergency contact plan is in place should any medical emergencies occur. Parents are notified as soon as possible in the event of any special medical or emergency situation. If your camper has any special needs (physical, behavioral, etc.), every effort will be made to accommodate her. Please

include any past or potential concerns on the Health History Form so that she may have the most positive experience possible. The camp director will contact you prior to your daughter’s session.

Can special foods be provided?

Most special dietary needs can be met if camp directors are notified in advance. At resident camp, meal options due to medical, religious, or other reasons are available. Please indicate these requirements on your camper’s Health History Form. Vegetarian alternatives are offered at every meal.

Can my camper be in the same unit as her friend?

Girl Scout camp is a wonderful way to meet new people. A camper may request a “buddy” in their Health History packet via CampDocs completed prior to camp. Both campers must register for the same program and week at camp. Make sure you and your child’s buddy and her parents are planning this together. Bunk buddy placement is not guaranteed.

What are camp staff like?

Camp staff (paid and volunteer) are enthusiastic, fun, caring, energetic, well-trained, and experienced individuals who are hired based on their ability to work with children in a learning and nurturing environment. All staff are required to complete 10–40 hours of training, depending on their respective positions.

American Camp Association accreditation for resident camp requires training for all resident camp staff on topics including youth supervision, child development, program planning, conflict resolution, first aid, CPR, and additional certifications for specialized program delivery. The resident camp ratio of staff to campers in fourth grade and above is 1:8; and, for second and third grade, it’s 1:6 with a ratio of 1:6 for high-adventure programs. The day camp ratio is 1:10 and for aquatic activities, it is 1:8.

What camp health and safety standards are maintained?

All GSGLA camps meet the health and safety standards and guidelines established by Girl Scouts of the USA and the State of California. Copies of the California Health Department’s inspections are kept on file at council offices.

How are Health History Forms collected?

Health History forms are completed through CampDoc.com, a secure, encrypted, and password-protected electronic health record system for camps. Within one week of your registration, you will receive a link to set up your account and complete your camper’s health history. Health forms must be completed ten days prior to resident camp and by the Thursday prior the start of day camp.

Camperships (FINANCIAL AID)

Deadline to apply is May 24, 2019!

Camperships are awarded only to registered girl members of GSGLA on the basis of financial need, and are available for all resident, day, and specialty camps. Each applicant will be considered for one resident camp, OR one specialty camp OR two day camp sessions. Families are asked to provide the maximum dollar amount they can contribute towards camp. The amount is based on what a family can afford and included in the "payment method" section on the Campership 2019 Application for consideration. **Parents and guardians interested in applying for a campership must submit the following (incomplete applications cannot be processed and will be returned):**

- Completed Campership 2019 Application (submit only one application per girl)
- Maximum dollar amount family is able to contribute at time of registration

How to submit your Campership 2019 Application:

Rules of acceptance and participation in the program are the same for everyone regardless of race, color, ethnicity, creed, national origin, age, and socioeconomic or special needs status. **Campers who are selected to receive a campership will be informed of their award by email. Please be certain to check your Spam folder for communications in a timely manner.**

FREQUENTLY ASKED QUESTIONS

Is a Campership different than financial aid?

No. The terms are used interchangeably.

Can I apply for a Campership through my GSGLA eBiz account?

No. Campership applications are only processed through one of the four methods listed in the previous page: mail, fax, email, or eForm.

Can I hold a camp spot for my Girl Scout through my eBiz account while I apply for Campership?

No. Camp spots designated for Camperships are processed manually and are not included in the camp spots you see on eBiz. Your application must be approved before your camper will be given a camp spot. There are limited spots in each camp reserved for Camperships.

My Girl Scout received confirmation from the camp director that she can be a counselor-in-training (CIT), but I also need to apply for a campership. Do I submit the same Campership forms?

Yes. The application to be a CIT is a separate process from applying for a Campership. Please follow the CIT process and submit the completed Campership 2019 Application and family contribution through one of the four methods listed above. You do not have to apply to be a Program Aide (PA). PAs will be first come first served on eBiz.

When will my application be reviewed and processed?

Processing begins the same day the application is received. A confirmation email will be sent to the email address listed on the application notifying you that the application has been received.

When will I be notified of my campership application status and placement of my Girl Scout in camp?

Please allow up to two weeks, upon receipt of the completed forms. If the forms are incomplete, the application cannot be processed and will be returned.

How do I receive an update status on my application?

All contact will be by the email listed on the application.

How many camps can my Girl Scout attend with a Campership?

Each individual Girl Scout may apply for one of the following options: one resident camp, OR one specialty camp, OR two day camp sessions.

Once I register my Girl Scout for camp, can she be transferred to another camp, if needed?

No. Please make sure you finalize your summer plans before registering for camp, especially knowing when school lets out for the summer break.

What is the difference between completing the Campership 2019 Application and the Camp Registration Form?

The [Campership 2019 Application](#) is to request monetary assistance to pay for the camp. The [camp registration form](#) is for families that are NOT requesting financial aid.

What is a family contribution and how much is expected?

Families are asked to provide the maximum dollar amount they can contribute toward the camp. This amount is based on what a family can afford.
