**** If you already had a Zoom account you will be asked to switch your Zoom account****

Support English ▾

By accepting this invitation, you are switching to a new Zoom account

Before you switch, be aware of the following:

- After you switch, you can still access your own data, such as your meetings and recordings.
- Your role in the new account will be "member". This role might have fewer privileges than your role in your current account.
- Your new account might not provide access to all of the features you have in your current account.

We are switching your account

The process will take some time. In the meantime, you can continue to use Zoom as usual.

Then your account will be switched but you log in just as normal to zoom.us

Your Profile should look like this. Technically you could have SUM listed for your dept. and there are a few variations but Location will always be Council611
