IMPACT

Your donation this year keeps more girls in Girl Scouts. When a girl has access to Girl Scouts, for even just two years, the impact it has on her life is undeniable. The longer girls can stay in Girl Scouts, the deeper the impact.

Girl Scout alumnae, even those with 2 years' experience or less, are more active in community service and volunteer work than non-alumnae.

Girls with 3+ years as a Girl Scout show a long-term increase in the areas of:

- Sense of self
- Civic engagement
- Education and income
- Satisfaction with life
- Leadership
- Relationship satisfaction

Girl Scout alumnae with at least 3 years of Girl Scout experience have completed more years of schooling than non-alumnae

Your gift is helping to change the life of a girl in Greater Los Angeles. Thank you.
