When Can I Apply?

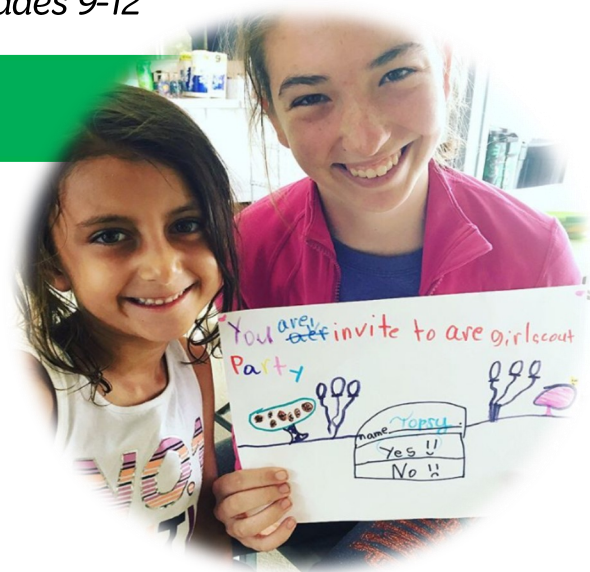

Applications Open: Jan. 20th

Applications Close: May 20th

⇒ Each one-week session is \$70

⇒ Each CIT may sign up for 3 sessions of Day Camp

⇒ If more spots are available after June 3rd, the Camp Director will email out the available openings and spots will be given on a first come, first served basis

How Do I Apply?

1. Go to **<https://www.gsglavolunteerapps.org/daycampcit/>** and fill out the Day Camp CIT application.

Prospective CITs: You will need to answer a few short questions, rank your skills and list one non-familial reference.

Returning CITs: Good News! You have already been accepted to the program, so the application process will only be a few short reflection questions.

2. Once your application is received there may be a follow up phone call or email.
3. Each Camp Director will send out dates for the mandatory CIT Orientation as well as sign-ups for summer sessions. **Final confirmation of your sessions and payment will be collected AT ORIENTATION.**

**Note: PA Training is not a pre-requisite to become a CIT at any GSGLA Camp.*
