General Information

Address and Phone: 5865 E. Appian Way, Long Beach, CA 90803 | 562-430-3077

Camp Hours: Regular camp runs from 9:00am to 4:00pm Monday through Friday. You can purchase Extended Care at any time through your MyGS profile. Before Care and After Care procedures are outlined on Page 2.

Directions: Please see the map above. We can be easily reached by the 405, 605 and PCH. Please be wary of GPS directions to Marine Landing, as they sometimes lead program participants to an incorrect location a few blocks away.

Parking: Free parking is available just south of camp in the large harbor parking lot (Green). Make sure to check local signs to ensure you are parked in a free space. No cars will be allowed within Marine Landing; parents and campers must walk under the 2nd Street bridge and enter where you see the rainbow!

Camp Procedures

The following procedures will be observed to maintain a safe and fun summer at Marine Landing.

Extended Before Care: Extended before care (AM Care) is available each day from 7:00AM until camp begins at 9:00AM for an additional fee of \$25 per week. During this time, campers will be under the supervision of staff with the option to participate in continued camp activities including crafts, games, and shared time with friends.

Camper Check-In: Check-in will start at 8:30am and run until 9:00am every morning. Please anticipate the check-in process to take up to 15 minutes the first day of camp. **We will be limiting the number of visitors at camp throughout the summer. Parents will be asked to stay in the check-in area and not enter the main campgrounds unless necessary.** We will be checking all campers in on the rainbow. Please follow the rainbow from the grey entrance gate all the way to our check-in table outside the rolling gate. We will be checking campers in through CampDocs on our iPads. Please have their health profile and COVID-19 prescreening complete and Authorized Pick-Up persons added to their CampDocs "Trusted Contacts" prior to arrival.

On Mondays, all campers will undergo head checks for lice as well as temperature checks. **Please anticipate staying for 10-15 minutes during drop-off to ensure your camper has been cleared to enter camp and join their unit.**

Camper Check-out: Pick-up will begin at 4:00PM and run until 4:30PM. Caregivers must bring a valid ID and be on the "Trusted Contacts" list in CampDoc before we release the camper. Campers not picked up by 4:30PM will automatically become enrolled in Extended After Care for a charge of \$25.

Extended After Care: Extended after care (PM Care) is available each day from 4:00PM to 6:00PM for an additional fee of \$25 per week. During this time, campers will be under the supervision of staff with the option to participate in continued camp activities including crafts, games, and shared time with friends.

Late Drop Off/Early Pick Up: Should you need to pick up or drop off your camper outside of the designated times, please make sure to inform the staff by adding your camper to our **Early Pick Up List** during check-in or calling ahead to our camp line once check-in has ended to state your arrival time. Once you've arrived for a late drop off or early pick up, please call our camp line 562-430-3077, and a member of staff will meet you at our **Green Gate** (closer to Mother's Beach and park) to check-in/out your camper for the day. **Early pick-ups between 3:30-4:00pm will be asked to wait until check-out at 4:00pm.** This allows for our flag down ceremony to go uninterrupted each day.

CampDoc.com

To collect health history and medical care information GSGLA uses CampDoc.com, a secure, encrypted, and password protected electronic health record system for camps. You must complete your CampDoc.com health history by the Thursday before your camper's session.

If you are a new camper with us, you should receive an email directly from campdoc.com within two weeks of registering for camp to login and create a profile for your camper.

If you are a returning camper, you should already have login credentials. You can log in at any time after registering for camp sessions to update your information. CampDoc will also email you reminders until your camper's profile is at 100%.

Trusted Contacts: To pick up your camper, any caregiver must be listed in the Trusted Contacts section of your CampDoc profile. All Trusted Contacts must either have a picture uploaded to CampDoc or bring a valid for of picture ID when picking up or else we will not release the camper. Trusted Contacts can be updated or added at any time. **Even if you are the user on the account, you will have to go in and add yourself as a Trusted Contact. CampDoc does not automatically add the user as a Trusted Contact, unfortunately.**

The image displays two screenshots of the CampDoc web application. The left screenshot shows the user profile for Giselle McKenzie, with the 'Trusted Contacts' section highlighted by an orange box. The right screenshot shows the 'Trusted Contacts' form, which includes fields for Name, Relationship, Email Address, and Phone, along with a 'Click to Upload Photo' button.

Buddy Requests: You can request your camper is in the same unit as other campers of the same program level from their school or troop. You can update this information at any time in CampDoc. We do our best to honor requests.

Photo Release: Please double-check your camper's photo release status in CampDoc. We will be taking a group photo on Wednesday morning, as well as documenting our adventures via Instagram Stories (**Follow us! @marinelanding**) throughout the week. If you have not released your camper's image, we will not photograph them.

COVID-19 Procedure

As you know, COVID-19 regulations, rules, guidelines, etc. are constantly changing and keeping us on our toes! We cannot express how much we appreciate your patience and understanding as we continue to understand and implement the information we are receiving.

With that, we did want to share out our general camp guidelines surrounding COVID for you and your family to review before coming to camp!

If you would like to know our full COVID Guidelines, you can read through our [GSGLA Camp Field Guide with COVID-19 Procedure](#) as well as our [Communicable Disease Plan](#).

1. Do not send your child to camp if they are feeling sick! Now more than ever, this is so important-- we will be strictly enforcing this rule. If anyone has a 100.4 degree fever or higher, they will be sent home.
2. Should your child report any symptoms synonymous with feeling sick, they will be isolated from other campers and sent home to be monitored.
3. Masks are required to be worn when social distancing is not possible (in units, on the lawn, and on the rainbow) and when indoors for a prolonged period (restrooms, first-aid station, boathouse, and offices) Masks do not need to be worn during water rotations (boating and free swim) and while eating snack/lunch.
4. We will be limiting the number of shared supplies and equipment.
5. We will have daily disinfecting performed throughout the summer as well as additional traditional cleaning measures.
6. **Every Monday we will have all campers submit a Health Pre-screening via CampDoc (see below).** Please make sure to complete this before arriving to your first day of camp.

The screenshot displays the CampDoc interface for user Devin Niebrugge. On the left, a navigation menu includes 'Prescreening', 'Health Profile', 'Custom Labels', and 'Trusted Contacts'. The main content area shows the user's profile with a red arrow pointing to the 'Prescreening' section, which includes a description: 'Answer important daily medical questions to help prevent the spread of COVID-19.' Below this, the 'Health Profile' section shows a 0% completion status with a deadline of June 10, 2021. The 'Custom Labels' section mentions ordering labels for belongings, and 'Trusted Contacts' allows managing authorized pick-up contacts. On the right, the 'GSGLA CAMP MONDAY PRESCREENING' form is visible, containing several questions with 'Yes' and 'No' response options. A file upload section at the bottom is labeled 'Overnight Camp (Lakota) ONLY: Please upload a picture of your negative COVID-19 testing'.

What to Bring to Camp

PPE: Campers must bring their own mask to camp each day. Due to the nature of camp and getting in and out of the water frequently we recommend bringing an extra mask. We will have extra handwashing stations and hand sanitizer available for campers to use throughout the day as well as extra masks if necessary.

Clothing & Towel: We will be getting wet daily, so please have campers arrive in their bathing suit and bring a towel. Board-shorts, rash guards, hats and other coverage for non-water activities are also recommended.

Shoes: Closed-toe water shoes must be worn by *all* girl participants. (i.e. water socks or shoes with closed toes and heel to ensure a secure fit.) Other shoes, such as flip flops, may be worn to and from Marine Landing, but once we begin boating and/or beach activities all campers will be asked to change shoes. If a camper does not have proper footwear, she will not be able to participate in boating. If your daughter does not have water shoes, we have many donated pairs she may try on, although fit is not guaranteed.

Sunscreen: We will be in the sun for multiple hours and will be at risk for skin damage. We have designated times throughout the day for sunscreen application. Campers must be able to apply sunscreen on their own, counselors are not expected to assist.

Lunch: Campers are responsible for bringing their own lunch. We will be providing two light snacks throughout the day. Your camper is welcome to bring a small lawn chair to sit in during lunch.

Water: Please bring a **reusable water bottle** to stay hydrated throughout the day and to help the environment!

Smart Devices: Camp is a technology-limited zone. We ask that all cell phones and smart watches be left at home, but if absolutely necessary, they must be put away for the day and only brought out for emergency purposes. This is in an effort to promote camaraderie and full participation in the camp activities. This includes using cell phones as cameras, so please bring a separate camera if you would like to document all the fun.

Medications: Please check your camper's medications in with our Health and Inclusion Director on Monday mornings.

Dress Up Days (To Be Announced!)

Every Wednesday we have an optional dress up day for campers to participate in. Campers can arrive in their dress up clothes, we will take unit pictures and then we will change and continue with regular programming.

Week 1: Go for The Gold...Bronze or Silver

Dress Up Theme:

Week 2: All Aboard the Hogwarts Express!

[Dress Up Theme:](#)
