

La Casita Day Camp

Camp: 9am-4pm

Hello Girl Scouts!

We are so excited to have you join us this summer! Below is some information to help prepare you to have a wonderful time at camp this year!

Arrival & Check-In: Please plan on arriving to camp by 8:45a.m. Check-in will take place at the corner of Pomello Drive and Dillard Ave. Please be patient with us on Monday while we make sure all the girls are in the appropriate units.

Forms: This year we are utilizing CampDocs online health forms. You will receive a link to register shortly after signing up for camp. Your daughter's CampDocs health history will be good every session she attends this summer! **Her health history must be completed the Wednesday prior to camp.** Please make sure you have listed anyone who can pick her up on her profile.

Address and Phone: La Casita is located at 150 E. Pomello Drive, Claremont, CA 91711. **The direct line to camp is (909) 625-2187 in case you need to contact us during the camp day while camp is in session.**

Parking: Parking is limited on the property, so please plan to park on E. Pomello Drive. Street parking requires a permit, so if you plan to walk your Girl Scout(s) into camp on their first day, then you'll need to pick-up a permit from a staff person at check-in.

Check Out: **Please bring some form of picture ID to pick up.** We take your Girl Scout's safety seriously so we do not release any children to adults without checking their ID and matching them to the authorized adults on the pickup form. Check-out will take place at the corner of E. Pomello and Dillard. If you need to pick up your daughter early, please give us a call or arrive before 3:30pm.

Clothing: We are going to have a lot of fun being outdoors, so please have your Girl Scout(s) wear clothes they (and you!) don't mind getting dirty. Girls should not wear their uniforms, but they are welcome to wear any Girl Scout t-shirts. Any water days or special dress days will be communicated in the weekly email.

Shoes: Closed-toe shoes are a must at every Girl Scout event. We will be running and playing games, so girls should keep their toes protected.

Flag Ceremony: We will be raising and lowering the flag in the morning and at closing every day. Each unit is given a chance to lead flag once a week. We start practicing flag at 8:45am.

Meals: Please bring a sack lunch each day. Additionally, we will provide two snacks a day.

Water: Bring a reusable water bottle to stay hydrated throughout the day. We will have water jugs available for refills.

Dietary Restrictions: Please let us know if you have any special dietary restrictions and/or allergies. We cannot accommodate all dietary variations, but we try our best!

Thank you for taking the time to read this important information. We look forward to seeing you all at camp!
