

Booth Inventory Recommendations

Determining how much inventory is needed for a booth

You will want to include enough cookies in your troop's SIO to stock the first weekend's booth sales. Below is a suggested quantity for a two-to-three-hour booth sale during the first and subsequent weekends. Amounts may differ based on the date, time, location and weather. This is a guideline for the number of cookies to take to a booth, not necessarily what you will sell. Refer to last year's booth sales, if data is available, to help you determine how much to bring to a booth site or ask your SUCPC for guidance.

Variety	First Weekend	Subsequent Weekends
Adventurefuls	2 cases	1 case
Lemon-Ups	2 cases	1 case
Trefoils	2 cases	1 case
Do-Si-Dos	2 cases	1 case
Samoas	3 cases	2 cases
S'mores	2 cases	1 case
Tagalongs	2 cases	1 case
Thin Mints	4 cases	3 cases
Toffee-Tastic	1 case	1 case

Balancing your booth inventory and money

- Use the Booth Sale Recording feature in eBudde, and the booth inventory tracking form found on www.girlscoutsla.org to track cookies taken to the booth, cookies returned, and money collected.
- A best practice is to take whole cases to the booth, when possible, to make tracking sales easier.
- Always receipt cookies going out to a booth, cookies returned, and money received.
- Use eBudde's booth recorder function to record cookies sold and assign cookies to Girl Scouts.
