

2026 Girl Scout Cookie Program Rewards

The rewards below require that a choice be made; please indicate your choices for your Girl Scout, even if you are not sure that they will reach the reward level. This will ensure accuracy for your Troop Leader/Cookie Chair when they are finalizing rewards at the end of the season and will help GSGLA make sure we order the correct sizes for your Girl Scout. Once a choice has been made, there can be no changes. **As you select a size, please check each measurement to ensure the best fit for your Girl Scout. Keep in mind that they may grow between March and when rewards are due to be distributed (currently expected to be late summer). For youth sizes, you may want to consider ordering one size larger.** *Return this form to your Troop Leader/Cookie Chair by no later than March 1, 2026.*

Girl Rewards Guide

San Diego Zoo (zoo.sandiegozoo.org):

Donate to the San Diego Zoo to support their conservation efforts of the black-footed ferrets. The black-footed ferret is the mascot for the 2026 Cookie Program. Girl Scouts who

opt for the donation option at select reward levels will be helping to support the important conservation efforts that the San Diego Zoo is engaging in to save this endangered species that is unique to North America.

Program Credits - Program Credit can be used in the Girl Scout Shop; for Membership Registration (for the girl only); to register for a Girl Scout Day, Resident or Specialty Camp; for other Council Program Events or Trainings (e.g., Gold Award Workshop), or, for girls who are aged 11 and older, toward a Destinations trip.

Troop Money – Girl Scouts who reach the 550+, 1250+, 1500+, 2000+, and 3000+ reward levels may choose to forgo the Reward item/Event or Program Credit and instead give the value of the Program Credit to their troop. This choice can be made for each of the stated package levels the Girl Scout reaches. The giving of troop money is for the *troop* to use toward activities that the Girl Scout will attend. These funds are not earmarked for the individual Girl Scout; they become troop funds that the Girl Scout can benefit from along with the rest of the troop.

Cookies for the Community - The Cookies for the Community (C4C) program is a council-wide community service project that gives Girl Scouts the opportunity to learn philanthropy and community service. Troops collect monetary donations from customers for cookies which are then purchased by GSGLA, who coordinates delivery to our Cookies for the Community partners.

Troop Proceeds: When your troop participates in the Cookie Program, the troop earns proceeds on the Girl Scouts' sales. These proceeds go into the troop's funds to benefit all members in the troop. They can be used toward troop activities, such as troop meetings and supplies, trips, overnights; purchases for the troop from the Council Shop; or pay the yearly membership fee for the Girl Scouts in the troop. These funds are not earmarked for an individual Girl Scout; they become troop funds that the Girl Scout can benefit from along with the rest of the troop.

Higher Rewards – Note: For the events in 2026 reward line up, if it becomes necessary to cancel any event, the reward will either default to the item listed for Smart Cookie Club, Sweet Elite, and S'mores Adventure, or revert to Troop Money for the Cookie CEOs and San Diego Zoo VIP Experience events.
