Introduction of Theme:

This year's 2022 Fall Product Program provides girls with an opportunity to "go bright ahead" while learning more about the Hawaiian Monk seal.

Benefits of Participating:

- Girls learn and practice the Five Skills: Goal Setting, Decision Making, Money Management, People Skills and Business Ethics, as they earn proceeds for their troop and exciting rewards.
- Proceeds stay local to benefit our council and troops earn 25% on all nut/candy items sold and 20% on all magazine subscriptions and personalized specialty items sold.
- The Fall Product Program is an excellent way to earn start up proceeds to fund your troop's activities and projects throughout the year.

How the Fall Product Program Works:

This program allows girls to be entrepreneurs by offering family and friends the opportunity to purchase delicious nuts, chocolates, magazines, and personalized specialty items. There are two ways to participate:

- In-person by taking orders using the nut order card and collecting payments.
- Online by inviting friends and family to place an order. Customers can choose to have nuts, chocolates, magazines, or personalized specialty items shipped directly to them, or they can select from a group of nut and chocolate products that girls can deliver.

Important Dates:

- **September 23, 2022:** Program begins – online ordering opens and girls may sell in-person.
- **October 23, 2022:** Last day of order taking with the order card AND online (girl delivery and shipped). All orders taken in person must be entered into the system.
- **November 11 - 13, 2022:** Nut and chocolate items will be delivered to Service Unit sites.

Here's another way for friends and family to support your goals.

Check out our new selection of personalized products: stationery, napkins, pictures frames and more. Each item can be personalized with a name, monogram, or favorite saying.

Perfect for yourself or a gift for someone special.
