

ACH Adjustments, Failures, and NSF fees

- Troops are expected to be aware of their payment obligation to GSGLA, both how much they owe and when it is due.
- Troops are responsible for all bank fees charged to GSGLA due to NSF, account closed, or other preventable default. There is a fee in these instances.
- If the troop does not have sufficient funds to fulfil the ACH debit, the troop **must** submit a *Request for Debit Adjustment* **by the date listed on the timeline**. The troop will indicate how much is available to debit, provide documentation to support the adjustment request, and define an agreed upon payment plan. Requests will be reviewed and approved by the PPM based on extenuating circumstances beyond the control of the TFPC and Troop Leader.
