A Celebration of Changemakers

girl scouts
greater los angeles

Saturday, November 4 at 6 pm | Los Angeles Zoo
girlscoutsla.org/sheleads

Please join Girl Scouts of Greater Los Angeles (GSGLA) on Saturday, November 4, 2023 for our most inspiring night of the year. During this engaging cocktail-style event, we will celebrate the power of girl potential, gather our community of supporters to raise funds for Girl Scouts' one-of-a-kind leadership development program, and honor exceptional women with the Changemaker Award.

You're invited to immerse yourself in the Girl Scout experience for an evening complete with camp traditions, STEAM activities, history, and so much more.

We look forward to celebrating a remarkable evening with you to support GSGLA and the next generation of women leaders!

About Girl Scouts of Greater Los Angeles

Girl Scouts of Greater Los Angeles (GSGLA) is the second largest of 111 Girl Scout councils in the nation and the largest girl-serving organization in Southern California. Founded with one troop in 1922, we now have 35,500 girl members (grades K-12) and more than 19,000 dedicated adult volunteers, and we span 6,200 square miles of the diverse communities of Los Angeles County and parts of Kern and San Bernardino counties.

Girl Scouts' outcomes tell our story: Girls who participate in Girl Scouts are more likely to finish high school and attain a higher education degree. Research shows that when a woman has a bachelor's degree, her economic security dramatically increases. By participating in Girl Scouts, girls grow their perseverance, self-esteem, and sociability, and are more likely to become better problem-solvers, critical thinkers, and inspirational leaders. For more information, visit girlscoutsla.org.

She Leads Sponsorships

Your support of She Leads provides access to the Girl Scout Leadership Experience. Through programs and activities like those listed below, the Girl Scout Leadership Experience builds girls of courage, confidence and character who make the world a better place.
