How should my troop renew?

It is now easier than ever to renew all of the girls and adults in your troop online using the Troops tab! Direct your parents to fill out and print the paper registration form and collect the membership dues from them or use the product sales proceeds to pay for memberships!

How do I login to renew my troop?

Go to [MyGS/My Account](#) link on our website. Login using the email address where you receive other GS notifications. If you don't remember your password, click on the [Forgot Password?](#) link. Once you're logged in, click on [My Account](#). Then click on [My Troops](#). If you have multiple troops, there will be a drop-down menu to view each troop.

How do I renew for the next membership year?

The renewal option for the next membership year will become available April 1, 2022. You will see [Time to Renew](#) status for every member of your troop who has a current membership.

To select all current members for renewal, check the [Select All](#) box. If choosing [Not returning](#) you will remove the online renewal option for that member to renew by the troop leader but will allow the caregiver to renew them for other troops but not for this troop. Contact customer care if [Not returning](#) has been incorrectly chosen and needs to be reversed.

What does the Status column mean on my roster?

The [Status](#) column will tell you if your family's membership is current or not or if it is time to renew. During Renewal (April 1- September 30) you will see the following status for [Membership](#):

- [Active Membership](#) means that the individual's membership is active for that year (yay!).
- [Time to Renew](#) means that member does not have a membership for that year OR it is time to renew membership for the upcoming membership year (begins Oct. 1)
- [Renew as Adult](#) shows for a 12th grade/Ambassador girl so she can purchase adult membership for the upcoming year. This would include the option for Young Alum Lifetime Membership.
- [Membership pending](#) means either that her membership has been purchased the upcoming year and her spot is secured in the troop OR that financial aid approval is pending.
- [Lapsed member](#) means that the membership is expired.

During Renew (April 1- September 30) you will see the following status for [Troop or Volunteer Role](#):

- [Active](#) means that the individual's troop or role is active for that year (yay!).
- [Time to Renew](#) means that member needs to renew their troop participation or volunteer role participation for that year OR it is time to renew for the upcoming membership year (begins Oct. 1)
- [Screening is](#) for adults who have selected a volunteer role and their background screening needs to be renewed or is being processed.
- [Lapsed](#) means that that member is no longer in the troop or adult role.

What if a member did not participate in the current year, but would like to participate next year?

They have 2 options this year:

- They can purchase the current year membership which provides membership through 9/30/22
- They can purchase membership for 2022-2023 year which begins 10/1/22 for \$25.

What if a girl is not returning next year? Or I'm not sure if she is returning yet?

If you're sure the girl is not returning for the upcoming year, select **Not returning**.

For those who are unsure, uncheck box under **Participation** and she will remain in the **Time to Renew** status. Please note: If choosing **Not returning** you will remove the online renewal option for that member to renew by the troop leader but will allow the parent/caregiver to renew them for other troops just not for this troop.

- If the girl is continuing with this troop until the end of the membership year (9/30) but joining a different troop for the upcoming year, troop leaders have two options:
 - Troop can pay for the renewal and the parent can **Change participation** when she is ready to join new troop
 - OR Leader can mark the girl **Not returning** and parent can renew membership and click on **Add a Troop** to add the new troop for next year. This will keep the girl in the current troop until the end of the membership year and she will be pending in new troop until the new year.

One of the parents volunteered to help with the troop! How can I add his or her volunteer role?

A troop leader can renew a lapsed role for an adult in the troop but to add a new role, the adult needs to do that from their account. The troop leader needs to verify that there are desired roles available in the participation catalog by contacting [customer care](#) at (213) 213-0123.

Can I renew a 12th grade graduating girl as an adult or purchase a lifetime membership for her?
