What if my girl or I did not participate in the current year, but would like to participate next year?

You will see 2 options so be sure you choose the correct year:

- Current year for membership, only provides membership through 9/30/2025 for \$25.
- Next year membership for 2025-2026 year which begins 10/1/26 for \$45/girl and \$30/adult.

If my daughter is bridging or moving to a new troop next year, do I renew our membership with the current troop or the new troop?

- If the girl is **continuing with this troop until the end of the membership year (9/30)** but joining a different troop for the upcoming year, there are two options:
 - **Current Troop Pays:** The troop leader will renew the girl and later, the parent can click on **Change participation** in MyGS when she is ready to join new troop.
 - **Caregiver Pays:** Leader/caregiver can mark the girl **Not returning** in the current troop and caregiver can renew membership and click on **Add a Troop** to add the new troop for next year. This will keep the girl in the current troop until the end of the membership year and she will be pending in new troop until the new year starts 10/1.
- If the girl is moving to new troop NOW:
 - The caregiver will click on **Change participation** in MyGS. This will open the search window for finding a new troop.
 - Choose the troop and add the girl to the new troop. This will transfer the girl from the current troop to the new troop now instead of at the end of the current membership year (10/1).
 - Renew membership with the new troop.

How can I add a volunteer role for myself or another adult in my family?

In your **My Account** tab, scroll down to see the troops your household is associated with. For each troop, you will see any open roles listed for that troop and can click on the role to add it for yourself or another member of your household. If you don't see the role you are looking for or need assistance, contact [customer care](#) at (213) 213-0123.
