

Girl Scout Early Renewal Incentives

for Troops | 2022 – 2023

April 1 – September 30, 2022

Who's eligible?

Any member or troop with a 2021-2022 membership can renew for the 2022-2023 Girl Scout year.

Why renew now?

It's easy and fast!

Parents, troops, and volunteers can easily renew membership for themselves or their girl(s) online via myGS using a debit or credit card.

How do we pay for our troop to renew?

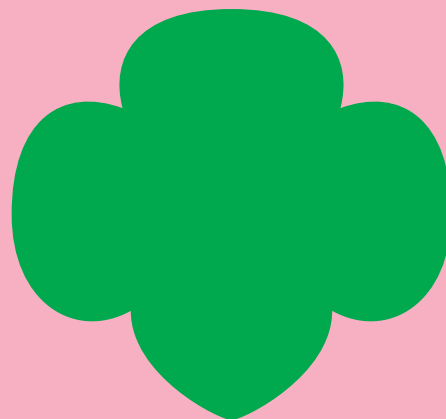

Many troops choose to use troop funds to register members of the troop (volunteers and girls). Troop funds should be used to sustain the troop and membership registration is a necessity of operating and participating in the troop, so this is an ideal way to use troop funds. Please note that a girl cannot be denied participation due to a family's inability to pay and troop funds should be used to purchase membership for these girls.

What about financial assistance?

Requests for financial assistance must be made by the girl's parent or caregiver via their myGS account. Any existing troop funds should be used before requesting financial assistance for any member.

Make sure your troop is insured at the start of the Membership Year!

One benefit of membership is ensuring that your troop has activity accident insurance for registered members when participating in activities that include incidents at meetings and trips (under three-nights).

Be prepared for Fall product!

Only girls and adults who have renewed their memberships can participate in this popular product sales activity. Don't get stuck scrambling to renew last-minute, start now!
