Marine Landing Boating Adventures

At Marine Landing, it's all about fun in the sun and in the water. Join us on our private beach, equipped with certified lifeguards, boating equipment, and good vibes! Our team has put together a 3-hour boating adventure for all ages, and up to 25 boaters. Choose between a morning or afternoon boating adventure and enjoy Marine Landing's unique amenities!

Date: 22nd, 4th & 5th weekends of April

Location: Marine Landing Program Center

Focus: Outdoors

Inglewood Innovation Labs

Using resources and technology, girls at every level explore their favorite STEAM – Science, Technology, Engineering, Art, and Math – activities with their troop at the Inglewood Innovation Center! Take tinkering to another level with tools and materials that inspire creativity and craftiness. Conquer computer science by writing code for a new game or learning to stay safe online. Ramp up robotics skills and go from novice to competitor. You decide! Plan and book a self-guided session for your troop in one of three labs where girls can explore a variety of topics and complete hands-on projects.

Date: 1st & 3rd Wednesdays, 2nd & 4th Tuesdays, Every Thursday

Location: Inglewood Innovation Center

Focus: STEAM

El Ranchito Adventure Days

Brownie

At El Ranchito, it's all about taking risks and trying new things! Join us every Saturday and Sunday and choose between a morning or afternoon session where your group will participate in archery, the rock wall, and good times outdoors! Our team has put together a 3-hour outdoor adventure for brownies and up, and up to 15 participants.

STEAM Takeover at the Upland Service Center

Brownie

Take over the Upland Service Center and try all things STEAM – Science, Technology, Engineering, Art, and Math! Experience a mini day camp and build, create, or invent like a pro!

Discover how laptops, tablets, and smartphones work. Master the way programmers write code. Explore how people create new games and how games help people learn new skills. Try out digital game design, coming up with your own game on Scratch. Maybe someday you will invent the digital games of the future! Participants earn the Coding for Good 1: Coding Basics and Coding for Good 2: Digital Game Design badges.

Digital Leaders

Become a digital leader in real life and online!

Tablets, laptops, and phones are all devices you probably use every day, but did you know they track what you do in the cyber world? Learn about the digital footprint you leave behind on the internet. Identify information you can share with the public and what should remain private. Then, examine digital clues to determine what is true and what is not. Does the information come from a reliable source? Be a change maker when you create digital content that helps others to stay safe online. Girls earn and take home the Digital Leadership badge.

Learn the planning steps for an indoor overnight activity with your troop. Take this class 6-8 weeks before you attend your first indoor overnight activity. This class is the first step in progression for outdoor camping and/or travel. This training will allow you to take a troop on an indoor overnight experience where girls sleep in an indoor

structure, i.e., a cabin, community center, home, third-party hosted site, etc. This includes overnights where food is provided or the troop cooks in a conventional kitchen. Training will also include planning, budgeting, and safety information.

Prerequisite: Indoor Overnight Prerequisites course in gsLearn.
