Daisy and Brownie

Boating Adventure Weekends

At Marine Landing, it's all about fun in the sun and in the water. Join us on select Saturdays and Sundays on our private beach in Long Beach, equipped with certified lifeguards, boating equipment, and good vibes! Our team has put together a 3-hour boating adventure for all ages, and up to 25 boaters. Choose between a morning or afternoon boating adventure.

Date: 2nd, 3rd, and 4th Saturdays and Sundays of March and April

Location: Marine Landing Program Center

Focus: Outdoor

El Ranchito Adventure Days

Brownie

At El Ranchito, it's all about taking risks and trying new things! Join us every Saturday and Sunday and choose between a morning or afternoon session where your group will participate in archery, the rock wall, and good times outdoors! Our team has put together a 3-hour outdoor adventure for brownies and up, and up to 15 participants.

Date: Select Saturdays and Sundays throughout January, February, March, and April

Location: El Ranchito Program Center

Focus: Outdoor

STEAM Takeover at El Ranchito

Take over El Ranchito and try all things STEAM – Science, Technology, Engineering, Art, and Math! Experience a mini day camp and use your imagination to build, create, or invent like professionals. Ever wonder how scientists learn about space? Or how to create a new product from a simple idea? You'll have the tools to explore outer space, make unique products and engineer quirky contraptions like a Rube Goldberg machine. Your journey through STEAM starts now!

Date: Saturday, February 4, 2023

Location: El Ranchito Program Center

Focus: STEAM

Civic Action: Daisy/Brownie Democracy Badge

Join us for this two-part series where girls will work toward earning their Daisy or Brownie Democracy Civic Engagement Badges with Judge Sandra Klein. During the program girls will learn about local, state, and federal government, the three branches of government and how they work together to make a difference in society.

Date: Tuesday, December 6 & December 13, 2022

Location: Virtual

Focus: Entrepreneurship

Inglewood Innovation Labs

Using resources and technology, girls at every level explore their favorite STEAM – Science, Technology, Engineering, Art, and Math – activities with their troop at the Inglewood Innovation Center! Take tinkering to another level with tools and materials that inspire creativity and craftiness. Conquer computer science by writing code for a new game

or learning to stay safe virtual. Ramp up robotics skills and go from novice to competitor. You decide! Plan and book a self-guided session for your troop in one of three labs where girls can explore a variety of topics and complete hands-on projects.

Date: 1st & 3rd Wednesdays, 2nd & 4th Tuesdays, Every Thursday

Location: Inglewood Innovation Center

Focus: STEAM

Girls Code: The Basics

Create your own code, learn about women in computer science, and earn your Coding for Good: Coding Basics badge! Discover how programmers communicate with computers using a special language called code. Play a game that uses algorithms and sequences to command a robot to complete a set of tasks. Then, hear about Grace Hopper, the queen of computer code, and how she helped the world with her coding skills. You'll be writing your own code in no time! Bonus: Meet special guest, Shazzy Gustafson-Angulo, creator of Mitzy Makes It – a series of children's books and short form digital videos!

(Daisy) Engineers Week: Girl Scout Day

Engineers Week – Girl Scout Day is back!

Volunteers from the American Society of Civil Engineers (ASCE) invite Daisy, Brownie, and Junior Girl Scouts to a STEAM design challenge based on our Mechanical Engineering badge which they receive at the end of the program. Meet a distinguished panel of professional and student engineers during an informative Q&A session. Lunch included. If solving problems excites you, a future in engineering awaits! Who knows what creative designs you'll be inspired to make? Girl Scouts will be grouped by level. Each level has a unique registration link. Limited adult spaces. Read full details on gsEvents.
