These are the different Girl Scout levels:

**Adults:** We also have adult members in Girl Scouts! Volunteers can be active in a number of ways. They can be Troop Leaders, Troop Treasurers, chaperones at Girl Scout events, Cookie cupboard helpers, and more!

In this guide we have events and programs that Girl Scouts of many levels can enjoy.

An orange circle included in a listing means that both Senior and Ambassador level Girl Scouts are welcome. The dark blue circle indicates that the event is open to adults. This can mean adult Girl Scout members, Girl Scout Troop Leaders or other Girl Scout volunteers, or even that a Girl Scout's family members can register for the event. You should look at the "Focus" column in the guide and/or click on the link for the event to learn more about who the event is for.

### The Focus column

In this column you can see what the event/program is focused on. This can be a particular Girl Scout interest like STEAM, the outdoors, or training for girls and/or adults. It can also indicate if an event is open to a Girl Scout and her whole family (even if those family members are not Girl Scout members), those events will have "Girl & Family Experience" in the column.
