Daisy and Brownie

Inglewood Innovation Labs

Welcome troops! Using resources and technology, girls at every level explore their favorite STEAM – Science, Technology, Engineering, Art, and Math – activities with their troop at the Inglewood Innovation Center! Take tinkering to another level with tools and materials that inspire creativity and craftiness. Conquer Computer Science by writing code for a new game or learning how to keep yourself and others safe online. Ramp up Robotics skills and go from novice to competitor. You decide! Plan and book a self-guided session for your troop in one of three innovation labs where girls can explore a variety of topics and complete hands-on projects.

Date: 1st & 3rd Wednesdays, 2nd & 4th Tuesdays, Every Thursday

Location: Inglewood Innovation Center

Focus: STEAM

Girl Scouts Love State Parks

Join us at Malibu Creek State Park for a 3-mile roundtrip guided hike with knowledgeable state park docents! Afterward, stay for a picnic lunch with your group in the park and visit the visitors center to hear more from state park docents. All participants will receive a new Girl Scouts Love State Parks badge! Badge and parking are included in the event price. See you out there!

Date: Saturday, September 10, 2022

Location: Malibu Creek State Park

Focus: Outdoors

STEM Career Exploration Badge

New and returning Daisy Girl Scouts - earn your first badge of the year! The NEW STEM Career Exploration badge helps you unlock your future STEM career through hands-on activities and challenges. You'll explore careers in Computer Science, Health & Wellness, Engineering, and more. Discover the one that is right for you!

Date: Saturday, October 1, 2022

Location: Upland Service Center

Focus: STEAM

Cybersecurity Superheroes

Do you love to solve puzzles, figure out mysteries, and break codes? Then you'll love learning about cybersecurity and how you can use your skills to keep people safe. Complete activities and games that help explain computer networks and how to keep people safe from malware. Learn to detect, prevent, and fight cybercrime online and earn the Cybersecurity 1: Basics badge!

Date: Saturday, October 22, 2022

Location: Inglewood Innovation Center

Focus: STEAM

Product Designers

Calling all innovators and future CEOs! Channel your inventor's mindset to come up with an idea for a product that solves a problem and learn how to bring your idea to life – just like an entrepreneur. Get feedback on your idea, revise it, and use a 3D pen to build a prototype! You'll also pitch your product to an audience and earn your Entrepreneurship Business badge.

Date: Saturday, November 5, 2022

Location: Upland Service Center

Focus: STEAM

My First Business: Daisy and Brownie Cookie Badges Program

Did you know that when you sell cookies, you run your very own business? A big part of your cookie business is meeting customers and learning how to talk to them about your cookie business. During this program, girls will find out how to sell cookies and excite customers so that they'll keep them coming back! Daisies will work toward completing their My First Cookie Business Badge, and Brownies will work toward completing their My Cookie Customer Badge. Please note that this is not a badge-completing program. Girls will also need to work independently to complete some badge steps. *All activities will be facilitated through Zoom or in the BAND App. A detailed supply list and schedule will be provided one week prior to the start of this program. Awards are mailed out at the end of the program. (NOTE: By completing this Journey, Juniors meet a pre-requisite to pursue highest awards)*

Date: Tuesday, November 15, 2022

Location: Virtual

Focus: Entrepreneurship

Juniors & Cadettes

True Friends: Cadette Amaze Journey

Friendships can be confusing and navigating them can feel like a maze of emotions. Join us for a two-week journey where you will learn communication skills, how to resolve conflicts, and gain an understanding of the importance of having healthy friendships. Additionally, you will have an opportunity to work in groups and brainstorm ideas for your Take Action project. Through fun activities and meaningful conversations, you will go on an AMAZEing journey!

Date: Monday, September 12 - Friday, September 23, 2022

Location: Virtual

Focus: Entrepreneurship

Silver Award Workshop

Join us for a virtual workshop where you'll discover what's necessary to create an amazing Silver Award Take Action project. Learn how to identify a community need and how to address that need by sharing their skills and passions to help make the world a better place! This workshop is not required to complete your Silver Award; however, it is beneficial as it covers important topics like the steps to earn the Silver Award and submit the final report. This virtual workshop is for Cadette Girl Scouts, their parents, and their leaders.

Date: Wednesday, September 14, 2022

Location: Virtual

Focus: Highest Awards

Red Cross First Aid for Severe Bleeding Training

The First Aid for Severe Bleeding Online course will prepare you to recognize severe, life-threatening bleeding emergencies and to take action to stop the flow of blood. You will learn how and when to control bleeding by applying a tourniquet and hemostatic dressing. This interactive course includes audio and video and takes approximately 30 minutes to complete. This is a non-certificate course.

Date: Thursday, September 15 - Thursday, September 29, 2022

Location: Virtual

Focus: Adult Training

Red Cross Babysitter's Basics Training

Cadette

This American Red Cross self-paced, online training provides Girl Scouts with the skills necessary to safely give care to younger children. Topics include how to provide care for infants and children, how to stay safe, what to do in an emergency, how to choose age-appropriate activities, and how to recognize and handle a variety of behaviors. At the end of the training, Cadette, Senior, and Ambassador girls will be prepared to start their first babysitting business. Babysitting certification is valid for two years.

Date: Thursday, September 15 - Thursday, September 29, 2022

Location: Virtual

Focus: Girl Training

Share Your Story Patch Program

Learn how to tell your story with photos, videos, and audio in the "Share Your Story" patch program! You'll join our BAND online and be guided through every step of the process—from coming up with the idea to uploading the final product—so you can tell your story in under 30 seconds. Tell us your unique Girl Scout story and earn a special Warner Bros Discovery patch!

Date: Monday, September 26 - Friday, September 30, 2022

Location: Virtual

Focus: STEAM

Silver Award Workshop

Join us for an in-person workshop where you'll discover what's necessary to create an amazing Silver Award Take Action project. Learn how to identify a community need and how to address that need by sharing their skills and passions to help make the world a better place! This workshop is not required to complete your Silver Award; however, it is beneficial as it covers important topics like the steps to earn the Silver Award and submit the final report. This virtual workshop is for Cadette Girl Scouts, their parents, and their leaders.

Date: Tuesday, September 27, 2022

Location: Mariposa Program Center

Focus: Highest Awards

Juniors & Cadettes

Red Cross Cat and Dog First Aid Training

The purpose of this American Red Cross online training is to provide Girl Scouts with the skills necessary to safely give first aid care to their cats and dogs. At the end of the training, girls and adults will learn the first aid care for your cat or dog, such as understanding your pet's vital signs, how to assist your pet in breathing and cardiac emergencies, wounds and bleeding, and more.

Date: Thursday, October 6 - Thursday, October 20, 2022

Location: Virtual

Focus: Adult Training

Going Green: Clean Energy for a Brighter Future with SOLV Energy (Emerging Leaders)

Energy is at the heart of climate change- and a key solution to creating a brighter future. Want to make a difference? Learn from renewable energy professionals at SOLV Energy about the advancements of renewable energy and sustainable practices that can be made to reduce climate change. Through this program, girls will learn about solar energy, why clean energy is good for our environment, and the job opportunities that are available in the industry.
