Brownie Digital Leadership

Every day, people use **technology** to help us do things. We use cars. We use microwaves. We also use computers. Digital technology is machines like computers, tablets, or smartphones. Everything we do with digital technology happens in our **digital world**. In this badge, find out how technology can help you be a leader who listens, inspires, and makes the world a better place.

Steps

1. Explore your community.
2. Discover your digital footprint.
3. Examine what's true and not.
4. Design a digital community.
5. Create content for change.

Purpose

When I've earned this badge, I will know how to lead in the digital world. I'll know how to use technology to make the internet and world a better place.

Pets

Whether they're cute and cuddly, or silly and scaly, pets are so much fun. If you hope to have a pet someday, use this badge to learn how to choose the pet that's right for you—and make sure it stays happy and healthy. You'll find out how to take the best care of a pet you already have!

Steps

1. Find out what care different pets need.
2. Keep a pet comfy.
3. Help a pet stay healthy and safe.
4. Make a pet feel loved.
5. Feed a pet!

Purpose

When I've earned this badge, I'll know how to take care of a pet.

Budget Builder

Have you ever spent money on something you wanted to buy? Have you ever saved money for something you wanted to buy in the future? Even if you haven't, you'll find out what it means to spend and save. When you make plans for spending and saving, that's called a budget. Learn how to build a budget!

Steps

1. Find out how much things cost and how money is used.
2. Learn the difference between wants and needs.
3. Plan a budget for a fun adventure.
4. Find out how to be thrifty.
5. Make a budget for your character.

Purpose

When I've earned this badge, I will know how to make the shopping choices and budget decisions that are best for me.

Junior Digital Leadership

You can explore the digital world with a phone, tablet, or laptop. Digital means finding or sharing information online. It's also connecting with others. You can chat with friends, look up information, or watch funny videos. This is the power of technology!

People build technology and the digital world. They code websites and apps. They make digital art. And you can, too!

In this badge, explore how you can use technology to learn, share, act, and help others in the digital world.

Steps

1. Explain how you connect with others
2. Discover your digital footprint
3. Consider the source
4. Design a digital community
5. Create content for change

Purpose

When I've earned this badge, I'll know how to protect myself and others online. I'll know how technology can make the world a better place.

My Cookie Team

When you earn this badge, you will learn that the secret to a successful cookie business is teamwork. Everyone has different skills and ideas to offer. Work with your Girl Scout group to meet your goals and have fun!

Steps

1. Find out about Girl Scout Cookies®
2. Decide how to use your cookie money
3. Set a troop budget and package goal
4. Build your team
5. Create your pitch to customers

Purpose

When I've earned this badge, I will know how to use teamwork to help my cookie business.

Budget Maker

A budget means keeping track of how to spend and save money to meet a goal. So, why do you need a budget? Let's see you want to buy something, but it costs more money than you have. Or your troop has money to spend from Girl Scout Cookies® sales and you have a goal you want to meet. Creating a budget helps you plan to meet your goals. As part of that plan, learn smart ways to spend, save, and share money.

Steps

1. Investigate why you want what you want
2. Practice spend-save-share
3. Learn how to decide what to buy
4. Find out how financial services help people save
5. Build a spend-save-share plan

Purpose

When I've earned this badge, I'll be able to create a budget to save for the things I want and need.

How to Wear Your Girl Scout Uniform

Your Uniform Guide: Who, What, Wear

You're part of a shared heritage more than 100 years in the making—and it shows when you wear your Girl Scout uniform. Tell your story, one badge and award at a time! Required at all Girl Scout events, each girl wears one official uniform item: a vest, sash, or tunic she can customize with each new achievement. Wondering what to wear with yours? Girls have plenty of options with our official apparel collection or the classic pairing of a white tee with khakis or a skirt. For adults representing Girl Scouts or participating in events, options include our official apparel collection or navy blue attire with an official Girl Scout scarf, tie, or adult vest and insignia.

Wondering where to properly place your troop insignia, badges, and awards? We have you covered with diagrams for each grade level.
